Swindled Bee Wilson, 2020-06-16 Bad food has a history Swindled tells it Through a fascinating mixture of cultural and scientific history food politics and culinary detective work Bee Wilson uncovers the many ways swindlers have cheapened falsified and even poisoned our food throughout history In the hands of people and corporations who have prized profits above the health of consumers food and drink have been tampered with in often horrifying ways padded diluted contaminated substituted mislabeled misnamed or otherwise faked Swindled gives a panoramic view of this history from the leaded wine of the ancient Romans to today s food frauds such as fake organics and the scandal of Chinese babies being fed bogus milk powder Wilson pays special attention to nineteenth and twentieth century America and England and their roles in developing both industrial scale food adulteration

The To-Do List Mike Gayle, 2009-12-24. Would a proper adult ignore the spilt milk under the fridge for weeks? Would a proper adult take three years to post a solitary Christmas card? Would a proper adult have decades-old underwear in active service? Mike Gayle is nowhere near being a proper adult even though his tenth wedding anniversary is looming, his second child is due any moment and in less than twenty-four hours he is going to be officially closer to forty than he is to thirty. Appalled by this lack of maturity, Mike draws up a To-Do list containing every single item he's been meaning to do but just keeps putting off. He's got a lot of stuff that needs doing. But unlike previous To-Do lists, he promises himself that this one will actually get DONE. And along the way, Mike will learn stuff about life: 323 love, 999 friends, 1004 and family, 9 and finally work out what it means to be a grown-up. 846
