*To create the overall boundaries, components 01 and 04/05 are weighted to give marks out of 100. This year, because of the removal of component 03/05 for June 2020 only, all components in this qualification are now weighted. Therefore, at certain grades (3,6,9 and 5) when weighted, the raw component boundary marks do not produce whole numbers and when rounded, these do not add up to the total overall boundary mark.
