## **October November 2021:**

Liberia International Monetary, International Monetary Fund. African Dept., 2022-09-14 Liberia is a fragile low income country Per capita income remains about a third of the level prior to the civil wars during 1989 2003 After a bout of economic instability prudent monetary and fiscal policies reduced inflation to just over 5 percent in 2021 and budgets are financed without recourse to central bank credit Economic growth suffered first from macroeconomic instability and then from the COVID 19 pandemic Growth rebounded to 5 percent in 2021 and after a soft patch this year due to Russia's war in Ukraine should reach 5.6 percent in the medium term if Liberia taps its clear potential through persistent structural reforms and prudent policies The government's resolve will be tested in the runup to the general elections in September 2023

*Elections during emergencies and crises* Toby S. James,Alistair Clark,Erik Asplund,2023-05-08 Elections often have to be held in emergency situations The Covid 19 pandemic was one of the most serious emergency situations that the world has seen The rapid spread of the virus presented a huge humanitarian threat but also an unparalleled challenge to electoral stakeholders globally seeking to protect electoral integrity during times of uncertainty This volume identifies how the pandemic affected electoral integrity what measures were put in place to protect elections and what worked in defending them It brings together a comprehensive set of 26 country case studies to explore how elections were affected on the ground what

measures were put in place and what worked These case studies are of elections which took place in the eye of the storm when practitioners and policymakers were operating under uncertainty and without the benefit of hindsight To learn lessons in a more systematic way this volume also provides a thematic analysis of electoral integrity during the pandemic using crossnational studies This provides the big picture for policymakers practitioners and academics looking back at the crisis The volume therefore seeks to contribute towards the future development of policy and practice However it does so by using academic research methods and concepts which enable greater confidence in the policy lessons as well as contributing directly to the scholarship on democracy democratization and elections The volume includes 11 areas of recommendation based on the evidence collected in this volume to protect electoral integrity in any future emergency situation

*Slip Case* Bill Kourelakos,2025-09-30 Air Mobility Workhorse recounts the operational history of the Lockheed C 130 Hercules in Royal Australian Air Force RAAF service spanning the A E and H models from 1958 to 2012 leaving the current J model to be covered in the future The C 130 was the catalyst for a transformational shift from Second World War technology to leading edge aircraft systems in RAAF air mobility and the broader Air Force The Hercules has become iconic in Australian culture as the first thing viewers often see of news reports when Australia reaches out to the rest of the world to offer aid in times of disaster The author s intimate knowledge of the aircraft along with his extensive service on them brings an insight that only someone who has flown them in testing times can bring His extensive connections within the Hercules community have brought their stories from the inside to give readers a rare glimpse of service in military aviation It is a detailed and balanced reflection of what the mighty Hercules did for Australia and how it affected those who flew it maintained it supported it flew as passengers or benefited from the missions it conducted This aircraft was truly Australia s Air Mobility Workhorse Two full colour hardback volumes limited edition presented in a slipcase *OECD Economic Surveys: Latvia 2022* OECD,2022-03-09 OECD s periodic surveys of the Latvian economy Each edition surveys the major challenges faced by the country evaluates the short term outlook and makes specific policy recommendations Special chapters take a more detailed look at specific challenges Extensive statistical information is included in charts and graphs **Seeds of Hope** Doreen Weinberg,2023-06-06 Seeds of Hope A Guide to Growing Your Spiritual Garden Our spiritual garden much like our actual garden needs the same elements to grow and flourish to reap a bountiful harvest In this book you and your small group will learn the basics of growing your spiritual garden and how to pass on the fruits of your labor with others In the fourteen chapters you will focus on the key elements of spiritual growth Learn the importance of location Son light choosing the right seeds staying close to the living water and choosing the suitable soil for your growth Develop an understanding of the role of the Holy Spirit the mulch in your garden the instructions in the manual you have been given which containers are best for optimal growth and how to nourish and maintain your garden Discover the power and benefits of pruning in your garden and the reasons behind your fallow seasons those times of rest and regeneration Spread seeds of hope you have developed with those in your Jerusalem Judea and Samaria This study will walk you through the Bible with examples of how others trusted the Master Gardener and will provide practical ways to grow your spiritual garden Whether you are a new or seasoned believer this study will resonate with you *Obstacles to Environmental Progress* Peter C. Schulze,2022-08-22 Why when so many people understand the severity of environmental problems is progress so slow and sustainability such a distant goal What gets in the way Perhaps you have immediately thought of several barriers In *Obstacles to Environmental Progress* Peter Schulze identifies 18 practical obstacles that routinely and predictably hinder U S progress on existing environmental problems The obstacles apply to problems small and large and in most cases regardless of whether an issue is controversial Though the book focuses on the U S most of the obstacles pertain elsewhere as well The obstacles fall into

three categories scientific challenges to anticipating and detecting problems political and economic factors that interfere with responding and obstacles to effective responses While all the obstacles are predictable and common they have not been systematically studied as related phenomena perhaps because they span a wide range of academic disciplines In practice they often arise as surprises that are then addressed in an ad hoc manner Might they be better understood and thus more readily anticipated and overcome or avoided The book seeks to hasten environmental progress by forewarning and thus forearming those who are striving or will soon be striving for environmental progress and by drawing scholarly attention to the obstacles as a set of related phenomena to systematically understand and more quickly overcome Praise for Obstacles to Environmental Projects I have never come across another book that gives students such an accessible and helpful guide to the broad scope of the challenges facing an environmentally sound and sustainable future Al Wurth Lehigh University
