the character attributes and perfections of God than any other modern work and the Book of Abraham as originally restored by revelation to Joseph Smith This volume also contains the revelations of Denver Snuffer another witness of the resurrected Lord who has walked and talked with Him and the Testimony of St John as restored by revelation Taken together the various works included in Teachings and Commandments speak to us through hundreds of revelations containing thousands of words from God all pertaining to us in our day and time A Glossary of Gospel Terms provides inspired and thought provoking insights into many of the most interesting terms and puzzling concepts found in scripture A wealth of information this intriguing book should be the companion of everyone searching for a deeper understanding of the things of God Covering hundreds of scriptural topics A Glossary of Gospel Terms adds depth to seemingly well understood topics and provides new and delicious insights into those areas of spirituality that have been shrouded in mystery until now Its objective is to uncover truth and inspire readers to pursue a relationship with Christ
