together the fragile serenity they have gained is suddenly threatened from within and the unbreakable bonds they share seem likely to dissolve after all In this entertaining and uplifting novel Sheila Curran explores the faith one woman placed in her dearest friends the care she took to protect her family and the many ways in which romantic entanglements will confound and confuse even the most determined of planners A story about growing up and moving on about the sacrifices people make for one another and the timeless legacy of love Everyone She Loved is above all about the abiding strength of friendship
