The Poor and the Perfect Neslihan Senocak,2012-05-01 One of the enduring ironies of medieval history is the fact that a group of Italian lay penitents begging in sackcloths led by a man who called himself simple and ignorant turned in a short time into a very popular and respectable order featuring cardinals and university professors among its ranks Within a century of its foundation the Order of Friars Minor could claim hundreds of permanent houses schools and libraries across Europe indeed alongside the Dominicans they attracted the best minds and produced many outstanding scholars who were at the forefront of Western philosophical and religious thought In **The Poor and the Perfect** Neslihan enocak provides a grand narrative of this fascinating story in which the quintessential Franciscan virtue of simplicity gradually lost its place to learning while studying came to be considered an integral part of evangelical perfection Not surprisingly turmoil accompanied this rise of learning in Francis s order enocak shows how a constant emphasis on humility was unable to prevent the creation within the Order of a culture that increasingly saw education as a means to acquire prestige and domination The damage to the diversity and equality among the early Franciscan community proved to be irreparable But the consequences of this transformation went far beyond the Order it contributed to a paradigm shift in the relationship between the clergy and the schools and eventually led to the association of learning with sanctity in the medieval world As enocak demonstrates this episode of Franciscan history is a microhistory of the rise of learning in the West

Learning From Buddha H.H. Dorje Chang Buddha III,2020-09-04 This book Learning from Buddha is a Dharma that H H Dorje Chang Buddha III openly imparted in Miami Florida for disciples who accompanied Him on that trip It is also a most important Dharma treasure that all Buddhist disciples must study and put into practice in order to attain accomplishment and liberation When this Dharma was being imparted a gigantic leaf of a Western bodhi tree fell from the air in front of all who were there That occurrence added a holy miracle to this Dharma treasure

The Lean Handbook Anthony Manos,Chad Vincent,2010-11-19 This handbook s intention is to gather into a single reference the information related to the joint lean certification program of SME AME The Shingo Prize and ASQ This book will enhance your understanding of the certification s Body of Knowledge BOK as a whole and give you a more holistic look at lean This comprehensive handbook covers all the topics included in the BOK cultural enablers continuous process improvement consistent lean enterprise culture and business results Written by a team of lean experts with years of experience in the field it will be indispensable to anyone interested in implementing and sustaining a lean initiative The book is written by design at the Bronze Level for certification knowledge This means that the weightings used in the Lean BOK for the Bronze Certification were considered

for the depth and breadth of material considered for each rubric By addressing the Lean BOK at the Bronze Level this book provides a basic understanding of the lean principles systems and tools at a tactical level to drive improvements with measureable results Material from several lean practitioners with differing backgrounds and experience has been gathered to create this handbook which serves as an ideal starting point for practitioners who want both a holistic view of lean in general and also specifically the BOK of this groundbreaking joint certification program Call of the Wild, The: Spotlight Edition Jack London, 2005 An annotated adaptation of London's classic Each Spotlight Edition maintains the rich integrity of the original work while adapting the language to be more accessible to the average reader In addition to providing a more readable text Prestwick House Spotlight Editions are enhanced providing readers with thoughtful guided reading questions and margin notes to help navigate the text suggestions for thought and discussion research opportunities for richer understanding of the text and its contexts and suggested writing activities to foster deeper thinking **Summary of The Lean Startup** SellWave Audio, 2025-10-24 Most startups fail but many of these failures could be avoided The Lean Startup introduces a new approach gaining traction worldwide transforming how companies are built and products are launched Eric Ries defines a startup as any organization creating something new amid extreme uncertainty This applies equally to a solo entrepreneur in a garage and seasoned executives in a Fortune 500 boardroom What unites them is a mission to navigate uncertainty and discover a viable path toward a sustainable business The Lean Startup methodology cultivates companies that use capital more efficiently while unleashing human creativity more effectively Drawing inspiration from lean manufacturing principles it emphasizes validated learning rapid experimentation and counterintuitive practices that compress product development timelines measure genuine progress beyond superficial metrics and reveal what customers actually want This approach enables organizations to pivot with agility adjusting their course incrementally and continuously Instead of squandering time on exhaustive business plans The Lean Startup gives entrepreneurs across organizations of every size a method to test their vision continuously and adapt before it's too late Ries delivers a rigorous framework for building and managing successful startups in an era demanding constant innovation **The Write Answer (eBook)** Kathy Tuszynski, Angela Yarber, 2003-03-01 Got questions about how to link your writing activities to rich and relevant literature How to improve your students writing skills and test scores You need The Write Answer This book contains student worksheets resource lists teacher pages samples and activities for individuals and groups These practical activities direct students to apply skills learned on the reproducible pages to their work in class Doing AI Richard Heimann, 2021-12-14 Artificial intelligence AI has captured our imaginations and become a distraction Too many leaders embrace the oversized narratives of artificial minds outpacing human intelligence and lose sight of the original problems they were meant to solve When businesses try to do AI they place an abstract solution before problems and customers without fully considering whether it is wise whether the hype is true or how AI will impact their organization in the long term Often absent is sound

reasoning for why they should go down this path in the first place *Doing AI* explores AI for what it actually is and what it is not and the problems it can truly solve In these pages author Richard Heimann unravels the tricky relationship between problems and high tech solutions exploring the pitfalls in solution centric thinking and explaining how businesses should rethink AI in a way that aligns with their cultures goals and values As the Chief AI Officer at Cybraics Inc Richard Heimann knows from experience that AI specific strategies are often bad for business *Doing AI* is his comprehensive guide that will help readers understand AI avoid common pitfalls and identify beneficial applications for their companies This book is a must read for anyone looking for clarity and practical guidance for identifying problems and effectively solving them rather than getting sidetracked by a shiny new solution that doesn't solve anything
