Performance Budgeting For State And Local Government:

Performance Budgeting for State and Local Government Janet M. Kelly, William C. Rivenbark, 2003 This text describes performance budgeting as the integration of the components of performance management planning performance measurement benchmarking and evaluation into the framework of state and local government budgeting The authors present performance budgeting not as a stand alone budgeting technique but as an extension of the traditional budget process that reconciles financial and operational accountability The authors make frequent references to their original research and personal experiences with performance measurement citizen satisfaction surveys and financial management practices They introduce findings from a nationwide survey of public managers throughout the text to illustrate how managers actually use performance data for decision making The book also includes several case studies in performance budgeting as well as interviews with managers and practitioners Designed for use in undergraduate and graduate level courses in public budgeting financial management this practical text will be equally useful for any student or practitioner involved in performance based management

Managing America's Small Communities David H. Folz, Edward P. French, 2005-08-25 Managing America's Small Communities charts several key aspects of the largely unexamined world of small city management This book describes the demographic trends structural features executive behavior and service quality among small communities Are small cities growing declining or have they remained untouched by the force of change To what extent have the structural changes and reforms that have swept through larger cities touched small communities What are the characteristics and behaviors of small city chief executives and how involved are different executives in the dimensions of the governmental process How do chief executives in small cities make decisions about local services and programs Are there differences in the extent to which appointed managers and elected mayors are responsive to community interests The book also examines the frequency with which small communities provide various services the quality of services provided and how small city officials can diagnose problems with service quality and performance The book's theme is the value added to small communities that evidence professionalism in city administration The benefits that accrue to having a professional city manager are most apparent in the extent to which city managers are engaged in decisions related to each of the dimensions of the governmental process the level of service quality provided and the prospects for measuring service performance

Performance Management and Budgeting F Stevens Redburn, Robert J. Shea, Terry F. Buss, David M. Walker, 2015-01-28 This book provides a fresh look at the process by which governments hold themselves accountable to their citizens for performance Unlike the plethora of other books in the field it examines all aspects of the Performance Management and Budgeting issue not only from the federal state and local perspectives but also internationally in both developing and developed countries Covering both conceptual and theoretical frameworks in performance management and budget the book analyzes the effectiveness of different approaches Featuring insights from a group of distinguished

contributors it ties current performance management approaches into the century old literature on public sector reform and management and presents arguments for and against performance management as well as recommendations on how to improve the enterprise

Quicker, Better, Cheaper? Dall Forsythe, 2001-10-18 This volume is a rich compendium of experience and diverse views about systems for introducing greater rationality in American governmental systems With contributions from skeptics as well as proponents it adds to the debate over the utility of performance management in American government Focusing on the Government Performance and Results Act of 1993 GPRA the authors also analyze performance budgeting and management in states and local governments Exploring the performance management movement the book sets out the point and counterpoint between critics and supporters and provides a common vocabulary for discussion Steps to improve performance measures are outlined as well as a discussion of states progress in managing for results New survey data reporting on states performance budgeting is also included The book reports on GPRA implementation at the Social Security Administration advocates linking evaluation research with performance management systems and discusses the limitations of performance incentives in the 1982 federal job training law Practitioners address the New York City Police Department s innovative COMPSTAT system for performance management and review the recent history of performance budgeting in Florida Also included are case studies from research scholars on benchmarking for Empowerment Zones performance funding for higher education in the states performance management in the Temporary Assistance for Needy Families TANF program under the 1996 national welfare reform act and performance issues in Medicaid food stamps and children s health insurance
