Perseverance Geoff Livingston, 2015-06-24 An Inevitable War Jason and his fellow villagers are happy to have escaped from the grasp of Christian Emperor Pravus to the seeming security of Fort Collins Unfortunately the Empires reach is long When the villagers make the unsettling realization that Pravus has tracked them down and is bent on destruction their preparations for the approaching winter are suddenly thrown into disarray As the villagers wrestle with the impact an inescapable war will have on their already uprooted lives they must decide if they will embrace the forbidden weapons of the past to survive To make matters worse the local inhabitants are reluctant to share their home with them Mordecai must empower the villagers to defend themselves against the religious state he helped create Jasons pregnant wife Helen who is unwilling to face a future under Pravuss rule insists on taking up arms Edward converts to Christianity in spite of the Empire Elder Marcus foresees their leaders death but still chooses to guide the villagers in their battle to persevere Perseverance continues the fascinating tale of Jason and the villagers as they attempt to survive an enemy determined to unleash evil across the land

Unfinished Nation Max Lane, 2008-05-17 Unfinished Nation traces the evolution of Indonesia from its anti colonial stirrings in the early twentieth century to the lengthy and eventually victorious struggle against the dictatorship of President Suharto In clarifying the often misunderstood political changes that took place in Indonesia at the end of the twentieth century Max Lane traces how small resistance groups inside Indonesia directed massive political transformation He shows how the real heroes were the Indonesian workers and peasants whose sustained mass direct action was the determining force in toppling one of the most enduring dictatorships of modern times Taking in the role of political Islam and with considerations on the future of this fragmented country Unfinished Nation is an illuminating account of modern Indonesian history

Attack of the Theocrats Sean Faircloth, 2014-07-01 At no time in history has the United States had such a high percentage of theocratic members of Congress those who expressly endorse religious bias in law Just as ominously especially for those who share the values and views of Thomas Jefferson and James Madison at no other time have religious fundamentalists effectively had veto power over one of the country's two major political parties As Sean Faircloth argues in this deeply sobering yet highly engaging book this has led to the crumbling of the country's most cherished founding principle the wall of separation between church and state While much of the public debate in the United States over church state issues has focused on the construction of nativity scenes in town squares and the addition of under God to the Pledge of Allegiance former politician and lobbyist Faircloth moves beyond the symbolism to explore the many ways federal and state legal codes privilege religion in law He demonstrates in vivid detail how religious bias in law harms all Americans financially militarily physically socially and educationally and directs special attention to the outlandish words views and policy proposals of the most theocratic politicians Sounding a much needed alarm for all who care about the future direction of the country Faircloth concludes by offering an inspiring 10 point vision of an America returned to its secular roots and by providing a specific and sensible plan for realizing this vision

The State in Contemporary Islamic Thought Abdelilah Belkeziz, 2009-08-30 The debates on Islam and Modernity clearly include in their analysis notions of the State Abdelillah Belkeziz here charts the development of the concept of the state al dawlah in Islamic discourse over the last two centuries The result is a tour de force survey of the most influential Muslim thinkers of the modern era which encompasses three successive waves the modernist trends of the early and later reformers like Sayyid Jamal Eddin Al Afghani the dogmatism of ideologues like Hasan Al Bana and the rhetoric of revivalists like the Ayatollah Khomeini Through this analysis Belkeziz argues that modern Islamic political thought succeeded in producing ideologies but ultimately failed to produce a unified theory of state This work is an essential encyclopedic resource for all scholars and researchers of Political Islam and will become a standard work in the field

The Gospel in the Dock Bryan M. Christman,2021-08-10 C S Lewis famously penned the phrase God in the Dock and proposed that there was a great divide between ancient and modern humans in that our ancestors would have rightly seen themselves in the dock before God while we moderns have placed God there before us But what if what God s love most desires for us the gospel or good news of the only way of life for humanity has been in the dock before us from the time of Adam and Eve And what if it is also the case that the gospel is often in the dock as though it is not good even for the church This book builds upon and expands the life and death stakes Lewis proposed by demonstrating that the gospel way of faith itself has been placed in the dock by us and in many ways ruined our relationships with God with our own selves with one another and even with the natural world itself which we are meant to steward for its good In these pages the reader will discover why the gospel that requires faith is good news but why we so tragically default to our divisive and self destructive ways *The Thinker's Thesaurus* Peter E. Meltzer,2012-04-16 With over twenty percent more material a must for any lover of distinctive words This entertaining and informative reference features sophisticated and surprising alternatives to common words together with no fail guides to usage Avoiding traditional thesauruses mundane synonym choices Peter E Meltzer puts each word whether it s protreptic apostrophize iracund or emulous in context by using examples from a broad range of contemporary books periodicals and newspapers His new introduction makes the case for why we should widen our vocabulary and use the one right word This groundbreaking thesaurus remains a unique venture one that enriches your writing while helping you find the perfect word **Theologians of the Baptist Tradition** Timothy George,David S.

Dockery,2001-05-15 A resource for pastors students and teachers to discover Baptist contributions to Christianity s theological heritage *The Victims' Revolution* Bruce Bawer,2023-03-14 Gender ideology The anti racism craze The MeToo movement Sanctuary cities These are among the building blocks of our new woke world which during the last few years seemed to explode out of nowhere But it didn t emerge from nowhere It originated on the campuses of some of our most respected colleges and universities Over the past several decades more and more faculty members at those institutions have exchanged humanism for radicalism Rejecting the search for truth they ve become purveyors of ideology They re no longer teachers but propagandists once devoted to the spread of knowledge they now focus on power dynamics seeing oppression everywhere and viewing everyone around them through the lens of group identity Among the most egregious consequences

of this intellectual transformation has been the increasing prominence and power of disciplines called identity studies among them Women s Studies Black Studies Queer Studies and even more recently Fat Studies and Whiteness Studies In *The Victims Revolution* Bruce Bawer gives us the first true history of this phenomenon He takes us on a tour of the campuses classrooms and conferences where we see and hear professors proudly pushing these new orthodoxies On every page we can observe the origins of the virus that in the past decade has escaped from the ivory tower and infected the whole Western world
