Personal Lee Child, 2014-08-28 Consistently pulse raising an exhilarating ride *Personal* wrests back the sheer gusto of the earlier novels it s the best Reacher adventure in some considerable time Independent Jack Reacher walks alone Once a go to hard man in the US military police now he s a drifter of no fixed abode But the army tracks him down Because someone has taken a long range shot at the French president Only one man could have done it And Reacher is the one man who can find him This new heartstopping nailbiting book in Lee Child s number one bestselling series takes Reacher across the Atlantic to Paris and then to London The stakes have never been higher because this time it s *personal* _____ Although the Jack

Reacher novels can be read in any order *Personal* is 19th in the series Be sure not to miss Reacher s newest adventure no 29 In Too Deep OUT NOW **The Jack Reacher Field Manual** George Beahm, 2016-01-19 You don t know Jack Jack Reacher that is In The Jack Reacher Field Manual An Unofficial Companion to Lee Child s Reacher Novels from ex Army major and New York Times bestselling author George Beahm get up close and *personal* with Reacher like never before The only book of its kind the Field Manual draws on 17 years of interviews novels stories and more to demystify author Lee Child s larger than life name taking quick thinking one man avenger Child calls the Reacher novels almost entirely autobiographical and The Jack Reacher Field Manual seamlessly integrates the literary creator and his creation to provide the most complete portrait of Jack Reacher available Dive into Jack Reacher s life with A detailed dossier on Reacher and his life at West Point and in the Army s Military Police Corps Reacher s rules of engagement including how he handles a street brawl A full color drifter s roadmap of the US detailing the places Reacher has visited in the novels Reacher s philosophy for surviving under the radar A biography on Child and an A to Z list of the key people places and things in his life And more including a glossary of US Army acronyms that appear in the series and a comprehensive reading list of Reacher novels novellas and stories The Jack Reacher Field Manual belongs in the fatigue jacket of any fan craving more information about this internationally popular literary antihero **Beats: Book Reviews 2014** Manuel Augusto Antão, 2015-03-06 What it means to me to be a critic

reviewer For a lot of readers a reviewer or critic is an embittered failed novelist or worse a barely restrained serial rapist Book critics may take the form of a dilettante theorist essayist or even historian but almost never reviewers who sometimes lack the distancing from the text required by the demands of academia synthesis **The Reacher Guy** Heather Martin, 2020-09-29 An exquisitely written and nuanced biography of an exceptional individual and writer who has created the 1 international bestselling hero Jack Reacher revered by dedicated and loyal readers worldwide Lee Child has a great public persona he is gracious and generous with readers and fans But Jim Grant is a reticent and very private man This rags to riches literary and social biography is based principally on disarmingly frank *personal* conversations and correspondence with the author since 2016 and privileged access to archival materials It consists almost entirely of original material and is the nearest thing the world is likely to get to the autobiography he does not intend to write There are a handful of great Lee

Child Reacher stories that have been recycled over and over again They are so good that no one has bothered to look beyond them This book revisits and sometimes revises those irresistible stories but goes back further and digs deeper The emphasis on chronology accuracy and specificity is unprecedented The Lee Child origin myth is much loved But mostly it sees him springing fully formed from the brow of Granada Television There are glancing references to Aston Villa and the schoolyard but no one has examined the social and historical detail or looked closely at where Lee really came from the people places and period This is the first time someone has described the Lee Child arc from peaceful obscurity in the Yorkshire Dales and Upstate New York to cult figure no 1 in America rock star celebrity and publishing institution through to backlash the changing zeitgeist and intimations of retirement The analysis of the emotional power and significance of Lee s work in the final chapters the themes of happiness addiction dependency loneliness and existential absurdity and the first hand retrospective accounts of his life and second act career are all exclusive to this definitive biography **Space, Place, and**
