Reclaiming Participation Cynthia Peters Anderson,2014 In an era that oscillates regularly between nihilism and the erosion of moral vision on the one hand and pseudo gnostic myths of self apotheosis on the other the classical Christian claim of human participation in the divine as the story of the transformation of human life in its physical moral spiritual and eschatological dimensions takes on radical counter cultural color It is an affirmation that offers hope and meaning for humanity secured by Gods participation in human life through Jesus Christ The christological ground of this claim is crucial to secure and animate the argument of this text The author performs in this a retrieval of the christological vision of the unification of the divine and the human in the single subject of Jesus Christ as the programmatic center point of human transformation and participation articulated particularly by Cyril of Alexandria The patristic pattern is used as a lens through which to examine and assess modern iterationsthose of Karl Barth and Hans Urs von Balthasar In this the author provides a critical updating of this vital classical theme annotating a vision of divine life opened up for created participation that can foster hope in the climes of contemporary life

Gorman,2018-07-26 The Gospel of John would seem to be both the spiritual Gospel and a Gospel that promotes Christian mission Some interpreters however have found John to be the product of a sectarian community that promotes a very narrow view of Christian mission and advocates neither love of neighbor nor love of enemy In this book for both the academy and the church Michael Gorman argues that John has a profound spirituality that is robustly missional and that it can be summarized in the paradoxical phrase Abide and go from John 15 Disciples participate in the divine love and life and therefore in the life giving mission of God manifested in the ministry death and resurrection of Jesus As God s children disciples become more and more like this missional God as they become like his Son by the work of the Spirit This spirituality argues Gorman can be called missional theosis [Pro Ecclesia Vol 27-N4](#) Pro Ecclesia,2018-11-14 Pro Ecclesia is a quarterly journal of theology

published by the Center for Catholic and Evangelical Theology An 'Open-Ended Distinctiveness' Clement Yung Wen, 2020-11-16 Insofar as the twentieth century has often been referred to as the ecumenical century the twenty first seems poised to become known as the century of World Christianity Into this situation the present study seeks to show the ongoing relevance of Wolfhart Pannenberg's ecclesiological and ecumenical proposals and in doing so finds that his eschatologically oriented and historically rooted emphasis upon an open ended distinctiveness is exactly the kind of corrective that the emerging theological paradigm of World Christianity needs if it wants not only to stay contextually open ended but remain distinctively Christian in outlook and character as well Towards that end the book begins with the story of ecclesiology's definitional expansion from the time of the Reformation to now before tracing the biographical and ideational roots of Pannenberg's overall programme The study then proceeds by outlining the main contours of Pannenberg's ecclesiology and ecumenism especially as such pertain to World Christianity In this regard several facets of Pannenberg's thought are highlighted for consideration including his understanding of the church as sign of the kingdom his doctrine of participation in Christ his reassertion of the church's missionary task his underdeveloped personalist and social thought structures his ironically relevant Constantinianism his directly relevant yet abstract notion of creative love and his views concerning contextualization and the ecumenical potential of the Nicene Constantinopolitan Creed of 381 While much that is here developed serves as a healthy corrective for an emerging theological paradigm that is still maturing some surprising critical insights arise that also flow the other way *The Suffering of God in the Eternal Decree* Nixon de Vera, 2020-06-15 This book seeks to unpack the evolution of Barth's understanding of God's suffering in Jesus Christ in the light of election The interconnectedness of election crucifixion and im passibility is explored in order to ask whether the suffering of Christ is also a statement about the Trinity **Ex Auditu - Volume 33** Stephen Chester, 2018-08-03 Introduction Stephen J Chester You Become What You Worship Theosis and the Story of the Bible Ben C Blackwell Response to Blackwell Cynthia Peters Anderson The Old Testament and Participation with God and in Christ Re Reading the Life of Moses with Some Help from Gregory of Nyssa Brent Strawn Response to Strawn J Nathan Clayton Cruciform or Resurrectiform Paul's Paradoxical Practice of Participation in Christ Michael J Gorman Response to Gorman Markus Nikkanen Union's with Christ Colossians 1 15 20 Grant Macaskill Response to Macaskill Constantine R Campbell Why Bother with Participation An Early Lutheran Perspective Olli Pekka Vainio Response to Vainio Stephen J Chester The Geography of Participation In Christ is Location Location Location Julie Canlis Response to Canlis Mary Patton Baker Jews and Gentiles together in Christ The Jerusalem Council on Racial Reconciliation Ashish Varma Response to Varma Hauna Ondrey Letting the Music Play Matthew 22 34 40 Cynthia Peters Anderson *Pro Ecclesia Vol 27-N2* Pro Ecclesia, 2018-04-30 Pro Ecclesia is a quarterly journal of theology published by the Center for Catholic and Evangelical Theology **The Theosis of the Body of Christ** Jonathan Black, 2020-04-06 In The Theosis of the Body of Christ From the early British Apostolics to a Pentecostal Trinitarian

Ecclesiology Jonathan Black builds on the ecclesiology of one of the UK's original Pentecostal movements the Apostolic Church demonstrating the connection between ecclesiology and the Pentecostal distinctive of the baptism in the Holy Spirit These early British Pentecostals were not naïve fundamentalists with the addition of a few Pentecostal distinctives but rather engaged in significant theological reflexion rooted in Trinitarian theology resulting in a theology of theosis which resonates in many ways with the Great Tradition yet is held together with a forensic Reformation approach to justification This approach then opens new possibilities in understanding the theological nature of the Pentecostal baptism in the Spirit

Earliest Christianity within the Boundaries of Judaism Alan Avery-Peck, Craig A. Evans, Jacob Neusner, 2016-02-02 Twenty two essays written by top scholars in the fields of early Christianity and Judaism focus on methodological issues earliest Christianity in its Judaic setting Gospel studies and history and meaning in later Christianity These essays honor Bruce Chilton recognizing his seminal contribution to the study of earliest Christianity in its Judaic setting Chilton's scholarship has established innovative approaches to reconstructing the life of Jesus a Jew whose religious ideology developed and therefore must be understood within the Judaism of the first centuries Following upon Chilton's approaches and insights the essays collected here illustrate the centrality of the literatures of early Judaism to the critical exegesis of the New Testament and other writings of early Christianity

Living in the Language of God Warner M. Bailey, 2017-06-27 Twenty first century Christians live in diaspora merely one voice among many without enjoying their once privileged place in society This is particularly the case for those who struggle to be a church that mirrors the capaciousness of God's grace We are assaulted by the venting of pent up furies which are stoked by profound anxieties over the loss of a cherished worldview and fear about an unacceptable but unstoppable future Frequently we struggle to speak an authentic word of God amidst the cross talk of many voices This book a canonical study of Hosea through Malachi called collectively The Book of the Twelve describes a biblical model of faithful speaking under similar circumstances It guides reaction to this loss toward intense engagement with Scripture and theology in order to sense again the meaning of speaking what is at the heart of faith God's unalterable commitment to continuing faithfulness with us

Theology and Poetry in Early Byzantium Sarah Gador-Whyte, 2017-04-19 This book studies Romanos' lively and dramatic hymns highlighting especially the relationship between theological themes and performative rhetoric

Liturgia Dei Adam Couchman, 2025-10-10 What does it mean to worship More often than not we understand worship to be something that we perform for God If that's the case then worship is ultimately a human action that flows from human effort How would our understanding of worship change though if we took as our starting point that Jesus is a fully human and fully divine worshiper Does it then mean that God is worshiping In responding to these questions Liturgia Dei suggests that worship is not primarily something we do for God but something God is eternally performing Worship is the eternal glorification of God that extends from and returns to the eternal relations of Father Son and Mother Spirit The church joins in this worship to through and with Jesus Christ

Cooper,John S. McClure,2003-01-01 Encapsulating years of experience integrating critical theological thinking with the preaching task *Claiming Theology in the Pulpit* will be a welcomed resource to both preachers and students Through the use of a theological profile Burton Cooper and John McClure help preachers become more aware of not only the broad theological traditions of the church but of their own particular theological appropriations Part One lays out the eight categories of the theological profile offering a worksheet for readers to identify in summary fashion their own theological position Part Two suggests specific ways that preachers can use the profile as a tool to become more theologically intentional in their preaching Regaining Sanity for the Earth Klaus Nürnberger,2011 For centuries science and faith have been drifting apart Science lost its transcendent foundations faith lost its credibility Science conquered the future faith got stuck in the past Science unleashed unprecedented powers faith became a private pastime The economic and ecological consequences are catastrophic Science and faith must reconnect and lead the way out of the crisis The Fundamentals of a Recovering Fundamentalist Gabriel Gordon,2024-06-27 As recovering Fundamentalists we often find ourselves unknowingly remaining within the Fundamentalist worldview We think that if we enter into Progressive Christianity we re

leaving behind the irrational hurtful racist and untrue theological worldview we were brought up in But what if Fundamentalism is really a kind of Progressive Christianity And both of these twin children of modernity are inherently racist anti Jewish and colonial and therefore antithetical to the brown Jewish Incarnation of the God of Israel What if instead of leaving Fundamentalism we ve really just changed the garbs of the Northern European Enlightenment rather than truly reorientating our whole lives towards the True Good and Beautiful In this book we will examine a need for former Fundamentalists to be reintroduced to the Christian faith One that looks backwards towards Christianity as it existed before the Enlightenment and even the Reformation One that de centers Christian traditions which originated out of Northern Europe by centering Christian traditions rooted in such places as Southwest Asia and North and East Africa By criticizing modernist white Christianity the reader is guided into a Christianity that isn t merely the other side of the same coin but looks radically different

Recovering the Evangelical Sacrament Anthony R. Cross,2012-12-06 The subject of baptism continues to be of considerable interest though it frequently appears within broader studies of sacraments liturgy worship and ecumenical studies and within confessional bounds credobaptist or paedobaptist yet it is rarely discussed by Evangelicals This book however is neither an apologetic for credobaptism nor paedobaptism rather Cross believes that as practiced today both forms are a departure from New Testament baptism which he maintains was an integral part of becoming a Christian and part of the proclaimed gospel He argues that the one baptism of Ephesians 4:5 is conversion baptism and that the baptism referred to in the various New Testament strata refers to this one baptism of Spirit and water The study sets out the case for this interpretation and contends that in key passages baptism is an example of synecdoche The case is then made for a sacramental interpretation of baptism from a thoroughgoing Evangelical perspective Cross concludes with reflections on the necessity of baptismal reform and the relevance of a return to conversion baptism for the contemporary church in a post Christian post Christendom mission setting

Recovering the Ecumenical Bonhoeffer Javier A. Garcia,2019-10-14 In *Recovering the Ecumenical Bonhoeffer* Javier Garcia explores the possibilities for Dietrich Bonhoeffer s theology to revitalize interest in the ecumenical movement and Christian unity today Although many commentators have lamented the waning interest in the ecumenical movement since the 1960s the celebration of the 500th anniversary of the Protestant Reformation in 2017 coupled with recent in roads such as the ecumenical efforts of Pope Francis have opened new possibilities for the ecumenical project In this context Garcia presents Bonhoeffer as a helpful model for contemporary ecumenical dialogue He finds important points of convergence between Bonhoeffer and Calvin thereby establishing potential areas of rapprochement between the Lutheran and Reformed traditions Beyond examining the state of ecumenism and unfolding the ecumenical promise of Bonhoeffer s thought Garcia assesses the future of ecumenical engagement in a secular age Altogether he proposes a recovery of the ecumenical Bonhoeffer for envisioning new possibilities for church unity in our day
