manual was produced within the Roma Youth Action Plan of the Council of Europe to provide teachers trainers and facilitators of non formal education processes with essential information and methodological tools to address antigypsyism with young people of all ages and in any social cultural setting It is equally suitable for work with groups of non Roma Roma only or mixed groups Combating antigypsyism is a task for all of us learning about it is a necessary starting point As human beings we have the capability to discriminate and impose prejudice upon others Fortunately we are also capable to learn and change Mirrors is a great help to help us notice this correct distorted views and to recognise ourselves in the eyes of others
