Personal Philosophy of Nursing and Leadership

Nursing remains one of the key fields that support the delivery of exemplary and timely medical services to patients with diverse needs. Those in this profession should develop powerful personal philosophies that will make it easier for them to act ethically, guide others, and create reliable environments for transforming health outcomes. They should strive to improve their competencies and values since the demands of this field change continuously. The purpose of this paper is to give a detailed description of my personal philosophy of nursing and leadership. My philosophy of nursing and leadership has become a powerful guideline for maximizing...
