

A close-up photograph of a large pile of golden-brown, fried potato pieces, likely Irish potatoes, scattered on a white surface. The potatoes are irregularly shaped and have a crispy, textured appearance. Overlaid on the center of the image is the text "DIP FRIED IRISH POTATOES" in a bold, white, sans-serif font. To the right of the word "POTATOES" are three identical yellow emoji faces with closed eyes and a small red tongue sticking out, arranged horizontally.

J. Smith, 2019-08-09 From springhouse to smokehouse from hearth to garden Southern Appalachian foodways are celebrated afresh in this newly revised edition of The Foxfire Book of Appalachian Cookery First published in 1984 one of the wildly popular Foxfire books drawn from a wealth of material gathered by Foxfire students in Rabun Gap Georgia the volume combines hundreds of unpretentious delectable recipes with the practical knowledge wisdom and riveting stories of those who have cooked this way for generations A tremendous resource for all interested in the region's culinary culture it is now reimagined with today's heightened interest in cultural specific cooking and food lovers culture in mind This edition features new documentation photographs and recipes drawn from Foxfire's extensive archives while maintaining all the reminiscences and sharp humor of the amazing people originally interviewed Appalachian born chef Sean Brock contributes a passionate foreword to this edition witnessing to the book's spellbinding influence on him and its continued relevance T J Smith editor of the revised edition provides a fascinating perspective on the book's original creation and this revision They invite you to join Foxfire for the first time or once again for a journey into the delicious world of wild foods traditional favorites and tastes found only in Southern Appalachia **Cooking in America, 1840-1945** Alice L. McLean, 2006-08-30 This cookbook covers the years 1840 through 1945 a time during which American cookery underwent a full scale revolution Gas and electric stoves replaced hearth cookery Milk products came from commercial dairy farms rather than the family cow

Daily meals were no longer bound by seasons and regions as canned bottled and eventually frozen products flooded the market and trains began to transport produce and meat from one end of the country to the other During two World Wars and the Great Depression women entered the work force in unprecedented numbers and household servants abandoned low paying domestic jobs to work in factories As a result of these monumental changes American home cooking became irrevocably simplified and cookery skills geared more toward juggling time to comb grocery store shelves for the best and most economical products than toward butchering and preserving an entire animal carcass or pickling fruits and vegetables This cookbook reflects these changes with each of the three chapters capturing the home cooking that typified the era The first chapter covers the pre industrial period 1840 to 1875 during this time home cooks knew how to broil roast grill fry and boil on an open hearth flame and its embers without getting severely injured They also handled whole sheep carcasses made gelatin from boiled pigs trotters grew their own yeast and prepared their own preserves The second chapter covers 1876 through 1910 a time when rapid urbanization transformed the United States from an agrarian society into an industrial giant giving rise to food corporations such as Armour Swift Campbell s Heinz and Pillsbury The mass production and mass marketing of commercial foods began to transform home cooking meat could be purchased from a local butcher or grocery store and commercial gelatin became widely available While many cooks still made their own pickles and preserves commercial varieties multiplied From 1910 to 1945 the period covered by Chapter 3 the home cook became a full fledged consumer and the national food supply became standardized to a large extent As the industrialization of the American food supply progressed commercially produced breads pastries sauces pickles and preserves began to take over kitchen cupboards and undermine the home cooks ability to produce their own meals from scratch The recipes have been culled from some of the most popular commercial and community cookbooks of the nineteenth and early twentieth centuries Taken together the more than 300 recipes reflect the major cookbook trends of the era Suggested menus are provided for replicating entire meals

Kenyan Food Recipes Food and Agriculture Organization of the United Nations, Government of Kenya, 2019-01-28 Complete absence or existence of limited quantified recipes has negatively impacted on optimal gains from dietary activities being promoted by the Ministry of Health MoH and Ministry of Agriculture Livestock and Fisheries MoALF towards alleviating food and nutrition insecurity and ultimately malnutrition The lack of reliable quantified recipes in the country may have therefore led to incorrect nutrient intake estimations resulting in erroneous nutrient adequacy estimations in populations and eventually inaccurate programming decisions It is on this premise that Food and Agriculture Organization of the United Nations FAO supported the government in documenting commonly consumed recipes which were quantified with ingredients preparation methods and yield factors This book is a detailed account of commonly consumed dishes featuring a diversity of mixed ingredient recipes from across Kenyan communities These recipes were selected based on frequency of use and so the most commonly used recipes are featured The book was developed side by side with the revised

Kenya Food Composition Tables KFCT and so nutrient calculations for mixed recipes featured were drawn from the revised Kenya Food Composition Tables KFCT 2018 This first version of recipes book covers a total of 142 mixed recipes The main components of the book include for each recipe a list of ingredients with household measures the preparation and cooking method cooking time nutrient profile per 100g of recipe servings and a photograph of the final dish In addition individual recipes have been grouped into broader categories for ease of reference Recipes that are common among urban dwellers have also been captured Recipes that apply to infants particularly have been indicated in the recipe introductions Of note about infant recipes is that the information received during focus group discussions revealed that most of the recipes consumed by the entire family are also eaten by infants above 6 months and children A full nutrient profile nutrient calculations yield factors and retention values are provided per recipe Of note the recipes in this book were developed to serve a minimum of four people There is still room for continued review and inclusion of more recipes that will provide a wide representation of the Kenyan Cuisine give correct information on the population diet holistically tackle malnutrition inform current programming and influence policies and consequently address chronic and acute malnutrition in the country in a more sustainable way

Civil War Recipes Lily May Spaulding, John Spaulding, 2014-04-23 Godey's Lady's Book perhaps the most popular magazine for women in nineteenth century America had a national circulation of 150 000 during the 1860s The recipes spelled receipts it published were often submitted by women from both the North and the South and they reveal the wide variety of regional cooking that characterized American culture There is a remarkable diversity in the recipes thanks to the largely rural readership of Godey's Lady's Book and to the immigrant influence on the country in the 1860s Fish and game were readily available in rural America and the number of seafood recipes testifies to the abundance of the coastal waters and rivers The country cook was a frugal cook particularly during wartime so there are a great many recipes for leftovers and seasonal produce In addition to a wide sampling of recipes that can be used today Civil War Recipes includes information on Union and Confederate army rations cooking on both homefronts and substitutions used during the war by southern cooks

Jamaican Food B. W. Higman, 2008 This beautifully illustrated book by one of the Caribbean's preeminent historians sheds new light on food and cultural practices in Jamaica from the time of the earliest Taino inhabitants through the 21st century

Midwestern Food Paul Fehribach, 2023-09-20 An acclaimed chef offers a historically informed cookbook that will change how you think about Midwestern cuisine Celebrated chef Paul Fehribach has made his name serving up some of the most thoughtful and authentic regional southern cooking not in the South but in Chicago at Big Jones But over the last several years he has been looking to his Indiana roots in the kitchen while digging deep into the archives to document and record the history and changing foodways of the Midwest Fehribach is as painstaking with his historical research as he is with his culinary execution In Midwestern Food he focuses not only on the past and present of Midwestern foodways but on the diverse cultural migrations from the Ohio River Valley north and westward that

have informed them Drawing on a range of little explored sources he traces the influence of several heritages especially German and debunks many culinary myths along the way The book is also full of Fehribach s delicious recipes informed by history and family alike such as his grandfather s favorite watermelon rind pickles sorghum pecan sticky rolls Detroit style coney sauce Duck and manoomin hotdish pawpaw chiffon pie strawberry pretzel gelatin salad and he breaks the code to the most famous Midwestern pizza and BBQ styles you can easily reproduce at home But it is more than just a cookbook weaving together historical analysis and personal memoir with profiles of the chefs purveyors and farmers who make up the food networks of the region The result is a mouth watering and surprising Midwestern feast from farm to plate Flyover this
