50 Fantastic Ideas for Exploring Food Judit Horvath, 2017-01-12 The 50 Fantastic Ideas series is packed full of fun original skills based activities for Early Years practitioners to use with children aged 0-5. Each activity features step by step guidance, a list of resources and a detailed explanation of the skills children will learn. Creative, simple and highly effective, this series is a must have for every Early Years setting. Children have a natural curiosity towards real life procedures and being involved in cooking and all of its preparation activities has proven to stimulate young minds throughout history. By preparing simple meals together from scratch, children will naturally develop the love of good healthy food whilst it can also tackle the issue of fussy eaters who are far more likely to try something they've prepared themselves. Based on Judit's sound practice as a qualified teacher and baker having taken part in local and national conferences, she has gathered together a varied collection of activity ideas around cooking and baking from different cultures with some added simple recipes too.

A History of Food in 100 Recipes William Sitwell, 2025-05-01 Sitwell is without doubt one of the great food writers of our day. Every serious cook should read this book at least once. Marco Pierre White: A riveting narrative history of food as seen through one hundred recipes from ancient Egyptian bread to modernist cuisine. We all love to eat and most people have a favorite ingredient or dish. But how many of us know where our much loved recipes come from, who invented them and how they were originally cooked? In *A History of Food in 100 Recipes*, culinary expert and BBC television personality William Sitwell explores the fascinating history of cuisine from the first cookbook to the first cupcake, from the invention of the sandwich to the rise of food television. A book you can read straight through and also use in the kitchen. *A History of Food in 100 Recipes* is a perfect gift for any food lover who has ever wondered about the origins of the methods and recipes we now take for granted. What a splendid book it manages to be: a recipe collection, a history of cooking and in passing, a history of the world all at once. Tom Standage, author of *A History of the World in Six Glasses* and *An Edible History of Humanity*. A generous tasting menu that evokes the people, places, influences, intrigues and inventions that have guided the story of food through the millennia. *Elle Magazine*: What food lovers will be reading at the beach, the format delivers culture in fascinating digestible chunks. *The Washington Post*: **The No-Nonsense Guide to Green Parenting** Kate
