Albert Schriber

Recipe For Real Sos Navy Gravy:

Why I Hate English William Crouse, Linda Farnsworth, 2022-09-21 This is a book of idioms that was written in hopes that it may help immigrants and others who enter the USA. Idioms are usually specific to a particular region, culture, language or dialect and are often difficult to translate from one language or culture to another. Idioms are a phrase or group of words that conveys a figurative meaning that is different from the actual words of expression. Now being ninety-two years old, I have heard many idioms in my time. I have been collecting these entries for over thirty years and am happy to finally complete this book. Many of these idioms are from very many years ago. I hope that you find this book both educational and entertaining.

Anchors Aweigh Albert Schriber, 2014-12-16 In 1968 Joseph is concerned he will be selected in the draft lottery and sent to Army boot camp like his brother-in-law. He left home at the early age of fifteen years old to escape a troubled family life, drug-addicted mother and an abusive alcoholic step father. Before his break away, Joseph and his mother lived for several years moving to different locations for safety. Joseph's living conditions contributed to his dislike of learning; thereby he dropped out of high school and decided to join the Navy to make a better life for himself during the Vietnam Era. His first experiences in boot camp and training are unpleasant reminders of his abusive past, but later during this decade of adventures in the Navy, Joseph becomes aware that his journey will be filled with new discoveries and loaded with life choices. He learns from many positive male role models during his travels, but John McCain remains his favorite. He shares a brief romance with an old friend in Barcelona, Spain, before he returns to the United States after three long cruises on the USS John F. Kennedy. What life lessons will Joseph discover? Will he make the right decisions? Nearing the end of his enlistment, Joseph decides to leave Jacksonville, Florida, and the United States Navy with tremendously more than he started with a decade ago. Married a college graduate, two daughters, and almost a lifetime of choices and education packed into his naval career, Joseph will take his family and experience, move back to New Orleans, begin his new civilian life. Joseph still has memories of his painful early years and even has new sorrows from this Navy adventure, but he has a reasonably optimistic view of his future. Many of Joseph's friends and others encouraged him not to leave military service, but he knows the time has come to move on to his many more adventures ahead.

Power Pro Man Bill Rompa, 2024-11-06 The book follows a young US Air Force enlisted Airman from 1965 to 1969 through basic training, technical school, and to his assignments supplying electricity to remote radar and communications bases in SE Asia, The Philippines, Viet Nam, Oregon, and North Dakota, with mobile and stationary electrical generators. In addition, personal stories including places visited, people met, and relationships developed are described, some humorous, some sad, some loving, and some dangerous.
