Imaginations Shelley Boyd,Dorothy Barenscott,2022-03-30 In the twenty first century food is media it is not just on plates but in literature and on screens displayed in galleries studios and public places Canadian Culinary Imaginations provokes new conversations about the food related concepts memories emotions cultures practices and tastes that make Canada unique This collection brings together academics writers artists journalists and curators to discuss how food mediates our experiences of the nation and the world Together the contributors reveal that culinary imaginations reflect and produce the diverse bodies contexts places communities traditions and environments that Canadians inhabit as well as their personal and artistic sensibilities Arranged in four thematic sections Indigeneity and foodways urban suburban and rural environments cultural and national lineages and subversions of categories the essays in this collection indulge a growing appetite for conversations about creative engagements with food and the world at large As the essays and images in Canadian Culinary Imaginations demonstrate food is more than sustenance as language and as visual and material culture it holds the power to represent and remake the world in unexpected ways The Truth about Baked Beans Meg Muckenhoupt,2015-09-25 The author of Cabbage A Global Historyforages through New England s most famous foods for the truth behind the region s culinary myths Meg Muckenhoupt begins with a simple question When did Bostonians start making Boston Baked Beans You may have heard that the Pilgrims learned the dish from Native Americans but the recipe was actually the result of a conscious effort in the late nineteenth century to create New England foods New England foods were selected and resourcefully reinvented from fanciful stories about what English colonists cooked prior to the American revolution while pointedly ignoring the foods cooked by contemporary New Englanders especially the large immigrant populations who were powering industry and taking over farms around the region The Truth About Baked Beans explores New England s culinary myths and reality through some of the region s most famous foods baked beans brown bread clams cod and lobster maple syrup pies and Yankee pot roast From 1870 to 1920 the idea of New England food was carefully constructed in magazines newspapers and cookbooks often through fictitious and sometimes bizarre origin stories touted as time honored American legends This toothsome volume reveals the effort that went into the creation of these foods and lets us begin to reclaim the culinary heritage of immigrant New England the French Canadians Irish Italians Portuguese Polish Indigenous people African Americans and other New Englanders whose culinary contributions were erased from this version of New England food Complete with historic and contemporary recipes The Truth About Baked Beans delves into the surprising history of this curious cuisine explaining why and how New England food actually came to be **Favorite Recipes of Famous**

Outdoorsmen Outdoors Writers Association of America,1949 **Gatekeepers** Franca Iacovetta,2006-10-01 An in depth study of European immigrants to Canada during the Cold War Gatekeepers explores the interactions among these immigrants and the gatekeepers mostly middle class individuals and institutions whose definitions of citizenship significantly

shaped the immigrant experience Iacovetta's deft discussion examines how dominant bourgeois gender and Cold War ideologies of the day shaped attitudes towards new Canadians She shows how the newcomers themselves were significant actors who influenced Canadian culture and society even as their own behaviour was being modified Generously illustrated Gatekeepers explores a side of Cold War history that has been left largely untapped It offers a long overdue Canadian perspective on one of the defining eras of the last century
