Rookies Gay Erotic Cop Stories:

Rookies Shane Allison, 2014-07-21 Rookie cops are irresistible a little wet behind the ears still a little innocent and oh so eager These hot young cops are fresh out of the police academy and ready to learn the ropes Between the buzz cut and chiseled jaw those bulging thighs under tight blue serge the cool mirrored glasses that reflect unbridled lust in the eyes and other body parts they are the sexiest thing on wheels Maybe it's the promise of punishment at the end of a nightstick or perhaps it's the sheer pleasure of transgression of getting down and dirty with a man who's supposed to enforce the law but seems more interested in the perp than in his crime **Rookies** explores the sexier sleazier side of these masculine icons and working class heroes from park rangers and policemen to MPs security guards and private dicks **Public Discourses of Gay Men** Paul Baker, 2006-02-01 Queer linguistics has only recently developed as an area of study however academic interest in this field is rapidly increasing Despite its growing appeal many books on gay language focus on private conversation and small communities As such **Public Discourses of Gay Men** represents an important corrective by investigating a variety of sources in the public domain A broad range of material including tabloid newspaper articles political debates on homosexual law and erotic narratives are used in order to analyse the language surrounding homosexuality Bringing together queer linguistics and corpus linguistics the text investigate how gay male identities are constructed in the public domain Internet Lesbian and Gay Television Series, 1996-2014 Vincent Terrace, 2015-05-23 Created around the world and available only on the Web internet television series are independently produced mostly low budget shows that often feature talented but unknown performers Typically financed through crowd funding they are filmed with borrowed equipment and volunteer casts and crews and viewers find them through word of mouth or by chance The third of five volumes on Internet TV series this book covers 335 alphabetically arranged gay and lesbian programs 1996-2014 giving casts credits story lines episode descriptions websites dates and commentary A complete index lists program titles and headings for gay lesbian bi sexual transgender and drag queen shows **Male Homosexuality in Modern Japan** Mark J. McLelland, 2000 This book is the first to look at the wide range of contrasting images of the gay male body in Japanese popular culture both mainstream and gay and relate these images to the experience of an interview sample of Japanese gay men In so doing it touches on a number of important issues including whether there can be a universal gay identity and whether or not strategies developed for increasing gay and lesbian visibility in western countries are appropriate to the social situation in Japan Out of Uniform Winston Gieseke, 2014-07-30 Why do we go weak in the knees for a man in uniform He could be a police officer a military man a fire fighter or one of those guys in sexy brown pants who delivers nice packages both in a box and in his pants to your door something about the uniform makes us stop and stare A uniform transforms an everyday guy into a modern day Superman on who stands straighter prouder And one we can't wait to get naked Because the only thing sexier than a man in uniform is a man out of uniform New York Magazine, 1989-04-24 New
