The Roots of Christian Mysticism Olivier Clément, 2004

A Narnian Vision of the Atonement Charles Taliaferro, 2022-08-24 How can we have redemption or atonement at one ment with God Ancient Christians proposed a ransom theory according to which God pays the ransom for us through heroic self sacrifice so we can be liberated from the power of the demonic sin and death This theory is widely rejected by philosophers and theologians yet C S Lewis boldly portrays atonement in precisely such terms in his seven volume The Chronicles of Narnia In this book philosopher Charles Taliaferro defends the integrity and beauty of redemption in these stories and offers a Narnia inspired Christian theory of atonement He writes for those intrigued by Lewis s imaginary world of Narnia and for those interested in thinking about temptation how wrongdoing may be overcome confession repentance forgiveness and reconciliation restitution death resurrection and personal transformation Taliaferro argues that Lewis s work is no mere entertaining fairytale for children but an important lens through which to view deep themes of redemption and atonement and all the vital stages involved in overcoming evil with the superabundant good of God s loving self sacrifice

*Preaching Conversations with Scholars* Rodney Wallace Kennedy, 2016-10-25 With an eye toward reuniting the church and the academy this book focuses on the role that scholarship can play in making good preachers into really great preachers This is the bridge between scholarly and popular writing that informs the sermon and makes it more powerful and meaningful for the people who regularly listen to sermons Preachers are challenged to raise the level of their commitment to scholarship as well as overcome any pre existing prejudices with scholarship The preacher as scholar is the perfect way for the pulpit to respond to the challenges of a secular post modern world that often wonders if smart people can even believe in God

**Remnant Christianity in a Post-Christian World** W. Paul Jones, 2021-11-03 The contemporary Christian church is in critical decline both in membership and finances All attempts at reversal are failing primarily because of the consuming socioeconomic secular dynamic in which society is immersed in its self destructive course Consequently Christian imagery is losing its conceivability and credibility and past motivations that once encouraged belief have lost their appeal Without these as points of contact the demise of the institutional church will be relentless despite all efforts to halt it Yet as at other crisis points in history the divine promise has been to raise a faithful remnant with sufficient promise to outlast whatever the societal demise After carefully analyzing the ingredients of our societal crisis the author develops the contours of a Remnant Church to be set in

place now within the present institutional churches This necessitates distilling a vital spirituality and discerning the heart of a preservable tradition sufficient to claim both personal and communal commitment Thereby prepared for the long haul the Remnant Church can emerge as a prophetic alternative

**Deified Vision: Towards an Anagogical Catholicism** Philip Krill, 2017-09-29 DEIFIED VISION TOWARDS AN ANAGOGICAL CATHOLICISM is an attempt at activating an anagogical imagination It requires of us that we pray for a share in God's own contemplation of the world that we allow our imaginations to get lifted up into His own that we desire to receive through the illumination of His Holy Spirit a participation in His own love and desire for all He has created One author has called this process acquiring an epistemic participation in the Mind of Christ

**Life in the Trinity** Philip Krill, James McCullough, 2022-11-30 Informed by Scripture and the church fathers and inspired by the ressourcement theology of Henri de Lubac Hans Urs von Balthasar and Pope Benedict XVI this book advances new insight and practical application of the recent retrieval of Trinitarian theology and its vision of human transformation known as deification Father Philip Krill contributes to a growing retrieval of Trinitarian Christianity and a synthesis of the Western and Eastern theological traditions A final section on theosis or deification rounds out this exploration of God's full intentions for the redemption of humanity

**The Discipline of Intimacy** Charlie Cleverly, 2019-07-01 People who pray are those who break through who hold on who stand in the gap who will not be silent and even who change history But they are also those who wait in the silence sometimes in the sorrows who contemplate His beauty and stand in awe The Discipline of Intimacy looks at the dynamic paradox of prayer knowing how to be still and silent but also how to plead and speak Knowing how to let go but also how to hold on For individuals and church groups The Discipline of Intimacy is for anyone seeking help to develop their relationship with God particularly where once passionate hearts may have lost their spark With accompanying videos and questions for reflection and discussion readers and participants will be introduced to practical and biblically rooted ways to experience the intimacy with God they have longed for and will have the tools to cultivate a life that is characterized by this closeness

**Falling Upward, Revised and Updated** Richard Rohr, 2023-11-22 An update to the bestselling Falling Upward from Franciscan Father Richard Rohr In the revised and updated edition of Falling Upward Richard Rohr seeks to help readers come to terms with the two halves of life In this book Rohr teaches us that we can't understand the meaning of up until we have fallen down More importantly Rohr describes what up can look like in the second half of life Most of us tend to think of the second half of life in chronological terms but this book proposes a different paradigm Spiritual maturity is found when we begin to pay attention and seek integrity through a shift from our outer task to the inner task What looks like falling down can be experienced as falling upward and is not necessarily connected with aging This new edition focuses on practical guidance that you can use to live a life of love and meaning in a world of suffering and challenge Falling Upward is an invitation to living the gospel and a call to ongoing transformation Gain a spiritual perspective on the common sequencing staging and direction of life's arc and learn how to bring forth your gifts in the

second half of life Grapple with difficult feelings fears and emotions associated with great love and great suffering Learn how we grow spiritually much more by doing it wrong than by doing it right Understand why so many of us resist falling into the second half of life Readers of Rohrs previous works and those new to the remarkable teachings of this Franciscan priest will find comfort and inspiration in this guide to lifelong spiritual growth

**Theological Anthropology at the Beginning of the Third Millennium** Kevin Wagner, Peter John McGregor, M. Isabell Naumann, 2022-04-29 Theological Anthropology at the Beginning of the Third Millennium is the third volume of the Theology at the Beginning of the Third Millennium series Bringing together Catholic and Orthodox scholars of diverse disciplines this work sheds new light on the question what does it mean to be a human person Beginning with an overview on the state of the discipline in our time the book brings theological anthropology into dialogue with epistemology Christology science spiritual theology and pedagogy It explores how human persons who are created in God s image and likeness can come to knowledge of the self and the other such that the individual person can know love and be united to the God and Father of Jesus Christ

**The Breadth and Depth of the Atonement** Christian D. Kettler, 2017-05-11 Atonement For some this word is the heart of the Christian faith For others it is irrelevant for Christianity and how they live their Christian lives Often we do not see the breadth and depth of the atonement in the gospel Christian D Kettler in his fourth book on the vicarious humanity of Christ suggests that we consider that the atonement is not only a vicarious death in our place and on our behalf whether in the form of a penal substitute or a moral example but also his vicarious humanity having atoning significance for all of our lives indeed all of reality the church the world and the self These essays are collected from several years of Kettler s thought on the doctrine of the vicarious humanity of Christ and its implications for all of life and reality seeking to demonstrate that the doctrine of the atonement is not to be restricted to one small part of the doctrinal agenda but has profound implications that theology sometimes does not explore These issues include the nature of culture aesthetics creation out of nothing spiritual formation emotional weakness the priesthood of Christ and creation genetic engineering and trusting in the ideal self

**Rediscovering the Divine** Consiglio, Cyprian, 2023-06-01 Consiglio challenges conceptions of God inviting us experience God in a new way

The Mystery, the Way, and the Journey Joshua S. Hopping, 2021-05-25 We live in a time of certainty and extremes where questions must be answered and spiritual salvation is centered on a single moment By drawing on the writings of St Maximos the Confessor 580 662 CE this book seeks to introduce the reader to a new albeit old way of following Jesus of Nazareth into the darkness of the unknown by embracing the mystery of uncertainty as a way of life in which each person s journey is different Interwoven together the concepts of the Mystery the Way and the Journey provide a way forward through the uncertainty of the future by following the path set forth by the ancient church while understanding that we are part of something bigger and older than modern American Christianity

Practicing the Monastic Disciplines

Sam Hamstra Jr., Samuel Cocar, 2021-07-12 In *Practicing the Monastic Disciplines* authors Sam Hamstra Jr and Samuel Cocar recover the wisdom of the Christian desert and make it more available and accessible to modern Christians especially those in the evangelical circle they inhabit Believing that moderns like themselves often flail in their Christian lives the authors discover in the desert Christians of late antiquity a clear map for growing in Christlikeness as well as an effective set of tools or weapons for combating temptation This set of insights sees its completion in the spiritual theology of Evagrius Ponticus a monastic theologian who expertly assessed the maladies and corresponding remedies of Christian discipleship Evagrius and his comrades offer modern Christians a coherent framework for spiritual formation and growth one which treats seriously both the frailties of human nature and the potential for sanctification This strand of patristic spirituality guides us toward glorifying God through both training our bodies and ordering our interior lives      **A Picture Held Us Captive** Tea Lobo, 2019-05-20 While there are publications on Wittgenstein's interest in Dostoevsky's novels and the recurring mentions of Wittgenstein in Sebald's works there has been no systematic scholarship on the relation between perception such as showing and pictures and the problem of an adequate presentation of interiority such as intentions or pain for these three thinkers This relation is important in Wittgenstein's treatment of the subject and in his private language argument but it is also an often overlooked motif in both Dostoevsky's and Sebald's works Dostoevsky's depiction of mindset discrepancies in a rapidly modernizing Russia can be analyzed in terms of multi aspectivity The theatricality of his characters demonstrates especially well Wittgenstein's account of interiority's interrelatedness with overt public practices and codes In Sebald's *Austerlitz* Wittgenstein's notion of family resemblances is an aesthetic strategy within the novel Visual tropes are most obviously present in Sebald's use of photography and can partially be read as an ethical aesthetic imperative of rendering pain visible Tea Lobo's book contributes towards a non Cartesian account of literary presentations of inner life based on Wittgenstein's thought      **Filled with all the Fullness of God** Thomas McDermott, OP, 2013-09-12 *Filled with All the Fullness of God* looks at the truths of Christian faith which pertain to spiritual growth and the lived theologies or spiritualities which have derived from them McDermott discusses here a variety of issues human self knowledge our understanding of God our partaking in the divine nature of God and the importance of prayer He also emphasizes the importance of personal spiritual growth and argues that we should see Christianity not as a matter of just getting to heaven but as a way of participating in the divine life here and now through deifying grace in the sphere of the Church prayer and the Eucharist McDermott illustrates his argument with a variety of sources Scripture the Church Fathers Thomas Aquinas Catherine of Siena the Catechism of the Catholic Church and contemporary spiritual writers      **The New Wine of Dominican Spirituality** Paul Murray, 2006-04-10 Names and celebrates aspects of the Dominican tradition that are at the very core of its spirituality One of the things which has characterized the Dominican spirit from the beginning is a sense of openness to the world This book presents the Dominican vision of life      **Ecstasy and Intimacy** Edith M. Humphrey, 2006 Foreword by Eugene H Peterson

Countering the generic spirituality so popular today Edith Humphrey presents an authentic Christian spirituality that draws on Scripture and the profound riches of the Christian tradition Orthodox Catholic and Protestant Humphrey shows how Christian spirituality is rooted in the Trinity in the ecstasy going out of oneself and intimacy profound closeness with another marking the relations between Father Son and Holy Spirit The book embodies a banquet of excerpts from the greatest spiritual writers in history such luminaries as St Augustine St John Chrysostom Julian of Norwich St Teresa of Avila the Wesley brothers Thomas Merton and Alexander Schmemmann Humphrey's elegant prose laced with stories and images from her own life beautifully uncovers the ways in which God's trinitarian life informs all human communion Each chapter ends with questions for further reflection and discussion
