Rosaria Champagne Butterfield :

The Gospel Comes with a House Key Rosaria Butterfield, 2018-04-16 What did God use to draw a radical committed unbeliever to himself Did God take her to an evangelistic rally Or since she had her doctorate in literature did he use something in print No God used an invitation to dinner in a modest home from a humble couple who lived out the gospel daily simply and authentically With this story of her conversion as a backdrop Rosaria Butterfield invites us into her home to show us how God can use this same radical ordinary hospitality to bring the gospel to our lost friends and neighbors Such hospitality sees our homes as not our own but as God's tools for the furtherance of his kingdom as we welcome those who look think believe and act differently from us into our everyday sometimes messy lives helping them see what true Christian faith really looks like

The Secret Thoughts of an Unlikely Convert Rosaria Champagne Butterfield, 2014 Rosaria by the standards of many was living a very good life She had a tenured position at a large university in a field for which she cared deeply She owned two homes with her partner in which they provided hospitality to students and activists that were looking to make a difference in the world In the community Rosaria was involved in volunteer work At the university she was a respected advisor of students and her department's curriculum And then in her late 30s Rosaria encountered something that turned her world upside down the idea that Christianity a religion that she had regarded as problematic and sometimes downright damaging might be right about who God was That idea seemed to fly in the face of the people and causes that she most loved What follows is a story of what she describes as a train wreck at the hand of the supernatural These are her secret thoughts about those events written as only a reflective English professor could Back cover

"Born Again": A Portrait and Analysis of the Doctrine of Regeneration within Evangelical Protestantism Stephen J. Hamilton,2017-04-03 Stephen J Hamilton attempts to create a portrait of born again Christianity by providing a general introduction to the doctrine of regeneration including its development in modernity as well as short exegeses of relevant scriptural texts followed by a close reading of four theologians Philipp Jakob Spener Jonathan Edwards Friedrich D E Schleiermacher and Charles G Finney who all associate the doctrine of regeneration with an experience of presence in the individual believer In light of these analyses he then traces a general theological structure of the born again understanding of regeneration including a catalogue of theological issues over which there is significant disagreement in order to create a topography of born again theologies In the final section he applies these results to contemporary conversion narratives of

non theologians It is in such conversion narratives the author argues that theologians can discover an implicit lived theology that reveals how doctrines are perceived and put into practice among Christians Accordingly this is to be understood as the result of the creative reciprocity between often tacit theological convictions and the experiences of the Christian life The final chapter as a coda to the entire work offers some concluding reflections on the present cultural and political situation in the USA pertaining to born again Christianity and argues against any oversimplifications of the relationship between born again theologies culture and politics

What Is Our Christian Purpose? Kari Quijas, 2018-08-20 The book originated from a midweek Bible study My husband and I have the honor of working with new converts to Christianity I kept seeing a trend of them being uncertain of their role in the kingdom of heaven They could not see within themselves what was so easy for me to see future Bible teachers music Sunday school teachers evangelist and other home missionaries like my husband and myself It was my desire to see them move forward and develop their own natural gifts The book was to inspire them to believe in themselves and to get out of their comfort safe place of what they were already familiar with get out of the boat and walk to Jesus

Messy Truth Caleb Kaltenbach, 2021-08-10 From the author of Messy Grace a former pastor raised by gay parents comes a compassionate playbook to help Christians church staff and ministry leaders create a culture of belonging without sacrificing theological convictions What should we do This is a question many Christians are asking as they face shifting societal norms conflicting opinions and often inaccurate scriptural interpretations regarding those who identify as LGBTQ Caleb Kaltenbach believes there's a more helpful question What am I willing to do to keep and build influence with _____ Caleb knows our love for others is best measured by the lengths we'll go to help them He also recognizes that people find and follow Jesus better in community than in isolation As a child raised by three activist gay parents Caleb experienced firsthand the outrage of some Christians That's why he is committed to creating a sense of belonging for all people True community can happen only when Christians are intentional in infusing their attitudes systems and values with grace and truth This hopeful practical book offers tools for encouraging church involvement strengthening personal relationships increasing empathy and engaging in pivotal conversations about grace and truth with our whole community Fostering a culture of belonging is a messy process but it holds a massive possibility for everyone involved a growing relationship with Jesus
