Corporate Financial Analysis Diana R. Harrington, 2004 This paperback text emphasizes the financial concepts and tools essential for understanding the financial impacts of business decisions The author uses current examples of actual business situations to demonstrate how financial tools concepts and theories can be used by managers to improve decision making and enhance business performance The text has a global emphasis with an equal number of domestic and international examples The author includes a discussion of international financial statements and the financial impacts of changes in foreign exchange rates The book's major appeal is its direct concise and no nonsense approach to understanding both the basics of finance and current financial concepts which allows even non financial managers to understand financial analysis

Foundations of Airline Finance Bijan Vasigh, Zane C.

Rowe,2019-07-02 There are few industries that have had a more profound impact on business and society over the last century than aviation This book is an accessible up to date introduction to the current state of the aviation industry which provides readers with the tools necessary to understand the volatile and often complicated nature of airline finance Understanding finance is critical in any industry however the financial track record of the airline industry places even more importance on effective financial management Foundations of Airline Finance provides an introduction to the basics of finance including time value of money the valuation of assets and revenue management and the particular intricacies of airline finance where there can be wild fluctuations in both revenues and costs The third edition of this text has been extensively updated to reflect the many changes in the air transport industry that have taken place since the publication of the second edition and features an expanded chapter on aircraft leasing and many new international case examples This thorough introduction to aviation finance is valuable reading as a general introductory financial text or as reading in specialized airline finance classes
