Rough Riders Erotic Gay Stories English Edition:

Rough Riders Habu, 2013-04-01 It isn't just the act of sex alone that can be rough for a gay male. The relationships involved and the whole circumstance in which one male comes together with another or more than one male to satisfy basic hungers can be explosive in both physical and emotional terms. In this compendium of fifty short stories Habu hones in on giving readers some scintillating examples of tales and circumstances and sexual acts that are on the rougher side in more than one dimension. This collection isn't for the faint of heart but it's a must read for those who like their GM stories rough and raw both physically and emotionally. This e-book is an expansion for BarbarianSpy of the eXcessica anthology published as *Rough Rides*. **Best Gay Erotica 1999** Felice Picano, 1998-11 A collection of the year's best gay erotica featuring works by Michael Lassell, Carol Queen, Scott O'Hara, Justin Chin, D. Travers Scott, and others. *Best Gay Erotica*, 2005 Over the Rainbow Michelle Ann Abate, Kenneth B. Kidd, 2011 Significant essays on LGBTQ topics in children's literature Ike's Mystery Man Peter Shinkle, 2018-12-04 A superb and harrowing history of the Cold War, the Lavender Scare, and Eisenhower's first National Security Advisor. The Guardian President Eisenhower's National Security Advisor Robert Bobby Cutler shaped US Cold War strategy in far more consequential ways than previously understood. A lifelong Republican, Cutler also served three Democratic presidents. The life of any party he was a tight-lipped loyalist who worked behind the scenes to get things done. While Cutler's contributions to the public sphere may not have received until now the consideration they deserve, the story of his private life has never before been told. Cutler struggled throughout his years in the White House to discover and embrace his own sexual identity and orientation, and he was in love with a man half his age. NSC staffer Skip Koons, Cutler poured his emotions into a six-volume diary and dozens of letters that have been hidden from history. Steve Benedict, who was White House security officer, Cutler's friend, and Koons' friend and former lover, preserved Cutler's papers. All three men served Eisenhower at a time when anyone suspected of sexual perversion, i.e., homosexuality, was banned from federal employment and vulnerable to security sweeps by the FBI. A genuinely engrossing read. Illuminating because it resembles the experiences of countless men and women who forced for so long to mask their true selves, appeared to the world as mysteries. The Washington Post Shinkle's illuminating biography is a love story, albeit an agonizing one, and one that reveals a singular character in American Cold War history. The Boston Globe **Moonlight Seduction** A.J. Llewellyn, D.J. Manly, 2019-04-28 The passion between Colby Young and Diego Champagne grows stronger, and Diego's fear that they will be discovered grows right along with it. Violence and deception are all around them, and now with Colby as a full-fledged member of the Louisiana Banni motorcycle gang, there are new worries for Diego. He fears for Colby's safety, realizing that Colby is the most important thing in his world. Colby continues his quest to discover what became of his young sister who disappeared years ago, and when his older sister and her children are threatened by the Texas Crushers, trouble hits close to home. He takes comfort in the arms of the man he loves, a comfort that is continually in danger of being cut off. Meanwhile, Diego is challenged to the

death by a prominent member of the Texas Crushers and Chase the leader of the Banni is harboring secrets that might also result in a standoff between Chase and Diego As the moonlight continues to seduce will Diego successfully become the leader of the Banni And if so will a desperate Colby be able to find his place in a gang led by the man he desperately loves
