Israel's Messiah in the Bible and the Dead Sea Scrolls Richard S. Hess, M. Daniel Carroll R., 2011-05-26 This volume is exemplary of evangelical scholarship at its best The theme is pertinent indeed basic to all expressions of Christianity and the contributors engage their subject with the passionate inquiry and critical acumen it deserves The essays are comprehensive in scope but unpredictable in conclusion displaying a diversity of perspective united only by common allegiance to the advancement of biblical understanding Anyone interested in biblical prophecy or a historical understanding of Jesus will find here a useful survey of the relevant materials and some surprising new insights Mark Allan Powell Trinity Lutheran Seminary Israel s Messiah is a very timely helpful work on one of the more important topics for our day In fairly short compass it manages to cover nearly everything the student will want to know about the development of the messianic idea in Judaism and the early church It is a must reading Grant R Osborne Trinity Evangelical Divinity School There has been a notion circulating in certain circles of New Testament scholarship that the concept of a messiah was of little significance in early Judaism This volume helps dispel

that notion and in the process gives us some keen insight into how the messianic material in the New Testament fits into the larger matrix of Old Testament and early Jewish messianic thought Highly recommended Ben Witherington III Asbury Theological Seminary The complexities of biblical scholarship are all too often hidden from most students of the Bible This collection of essays however opens up contemporary issues concerning the concept of the messiah The main authors and respondents offer helpful and insightful presentations on the messiahship of Jesus Christ The format of essays and responses enriches the volume by permitting the reader to weigh differing viewpoints on the vitally important topic Here we have constructive critical evangelical scholarship of the highest quality T D Alexander Union Theological College Belfast Ireland
