Reader Review: *One More Kiss* Samantha Chase, 2022-04-02. When a rock star kisses you, the least they could do is remember. But that's apparently too much to ask. After a disastrous turn on Broadway for what was supposed to be his on-stage debut, rock star Matt Reed is ready to step out of the spotlight for a good long while. Nothing sounds better than getting away to his best friend's secluded property in North Carolina. Alone. Or at least he was supposed to be alone. Vivienne Forrester has been in love with her brother's best friend for as long as she can remember, though she never thought rock star Matty Reed would give her the time of day. Never mind that he seems to have zero recollection of the one and only time he actually kissed her. But now that they're both staying on the same property that might finally change. That last thing Matt was looking for when he exiled himself in North Carolina was love, but it doesn't take long for his feelings for Vivienne to become undeniable. It doesn't matter how pissed her brother is at this turn in their relationship. Matt's not backing down. Except being with Vivienne means stepping back into the world, and Matt isn't sure he's ready to return to the spotlight. *Family Treasures Cookbook* Mabel E. Bontrager Yoder, 1999-04.
