

as the change that Americans needed to correct the mistakes made by the Carter regime. Reagan earned the trust and respect of the citizens through his candid honesty. He portrayed courageous convictions and focused on pursuing what he and his followers considered to be right. For example, "he took responsibility for the Iran Arms and Contra Aid controversy in 1987, thereby regaining the trust of the public" (Bell 66-74).

Unlike most former presidents of the US, Reagan showed his expertise in managing the country through effective delegation of tasks and authority (Greenstein 220-230). He believed that empowering members of his administration would ensure successful implementation of national policies. Thus, he established effective teams that worked independently, thereby improving the effectiveness of his administration.

If I were the President

As the president, I would use transformational leadership to lead the country. A transformational leader is an individual who is capable of guiding, directing, and influencing others to achieve the desired change (Bonnici 78). Unlike charismatic leadership, transformational leadership does not require special traits and behaviors, which some leaders might lack. Transformational leadership would facilitate power sharing through consultations and widespread participation in my administration. This would ensure effective leadership by promoting responsiveness and accountability among administrators.

Conclusion

Having charisma is a fundamental requirement for being a charismatic leader. This involves having charismatic traits such as trust, a clear vision, excellent communication skills, and ability to delegate authority effectively. President Ronald Reagan had these traits and used them to lead the country. As a result, he was considered a charismatic leader who had extraordinary expertise in leadership.

Ronald Reagan Leadership Essay:

The Memory Hole Fritz Fischer, 2013-12-01 The US history curriculum is under attack. Politicians, political analysts and ideologues seek to wipe clean the slate of the American past and replace it with one of their own invention. The basis for this new narrative comes from political beliefs of the present rather than any systematic examination of the past. These anti-historians campaign to insert their version of American history into the nation's classrooms hoping to begin a process that will forever transform our understanding of America's past. The Memory Hole examines five central topics in the US history curriculum showing how anti-historians of both the left and right seek to distort these topics and insert a refashioned story in America's classrooms. Ignoring facts, refashioning other facts and pretending that there are no rules in the telling of history, these re-interpreters of the past place the minds of America's young people in danger. The beleaguered hero of this book is the discipline of History and The Memory Hole shows how the history curriculum should adhere to history's habits of mind that require complex, sophisticated and subtle thinking about the past. History and social studies teachers, students of history and all those who care about the deep and enduring value of history will value this book and its conclusions. A Companion to Ronald Reagan Andrew L. Johns, 2015-02-10 A Companion to Ronald Reagan evaluates in unprecedented detail the events, policies, politics and people of Reagan's administration. It assesses the scope and influence of his various careers within the context of the times, providing wide-ranging coverage of his administration and his legacy. Assesses Reagan and his impact on the development of the United States based on new documentary evidence and engagement with the most recent secondary literature. Offers a mix of historiographic chapters devoted to foreign and domestic policy with topics integrated thematically and chronologically. Includes a section on key figures associated politically and personally with Reagan. Essays in Presidential Rhetoric Theodore Windt, Beth Ingold, 1992 The Reagan Presidency W. Elliot Brownlee, Hugh Davis Graham, 2003 Table of contents **Essays for the Presidency** Gideon Rose, 2015-09-29 Foreign Affairs has long been the place for aspiring presidents and their advisers to present their foreign policy visions and so with the 2016 campaign well under way we decided to provide some context for it by pulling together nearly a century's worth of campaign-related articles from our archives. In this collection you'll find everybody from all the major candidates in 2008 including Barack Obama, Hillary Clinton, John McCain, Mitt Romney and Mike Huckabee to crucial historical figures such as Colonel House, Franklin Roosevelt, John F. Kennedy, Richard Nixon and many more. It's a great volume to keep close at hand as you watch the election unfold even as you keep an eye on the magazine and ForeignAffairs.com for essays by current candidates along with continuous coverage of US foreign policy and the world at large. *Reagan and the Fall of Communism*,

Quarterly Essay 3 The Opportunist Guy Rundle, 2001-10-01 In the third Quarterly Essay Guy Rundle comes to grips with John Howard the prime minister who on the eve of an election seems to have turned round his political fortunes by spurning refugees and writing blank cheques for America's War on Terror This is a brilliant account of John Howard's dominant ideas his concerted dreaming with its emphasis on unity and national identity that reveals him to be the most reactionary PM we have ever had the only political leader who would allow ideas like those of One Nation to dominate the mainstream of Australian politics in order to improve his political chances Rundle puts Howard in the context of the economic liberalism he shares with his colleagues and opponents and the conservative social ideology that sets him apart It is a complex portrait in a radical mirror which relates John Howard to everything from Menzies's forgotten people to the inadvertent glamour of the government's antidrug advertising It is also a plea for right thinking people of every political persuasion to resist the call to prejudice and reaction A portrait of a political opportunist who is also a sincere reactionary putting back the clock because he believes in it but also fanning the whirlwind of unreason in order to save his political skin Peter Craven Introduction The coincident occurrence of the asylum seeker confrontation and the attack on the U S has made visible the most dangerous and damaging thing he has done to the Australian polity and that is to deepen contempt for such

protection as we did have from unbridled executive power mass hysteria the rush to surrender our freedoms and offer them up on the alter of crisis

Guy Rundle The Opportunist Guy Rundle was a co founding editor of Arena a magazine of political and social comment Formerly a theatre critic for the Age he has written and produced a number of TV programs and stage shows and contributes regularly to the Age the Australian the Sydney Morning Herald and Spiked and is currently Crikey's global correspondent at large He is the author of two Quarterly Essays The Opportunist John Howard and the Triumph of Reaction and Bipolar Nation How to Win the 2007 Election His most recent book is the award winning Down to the Crossroads On the Trail of the 2008 US Election
