

There's Always Room for One More

written by Robyn McCreath illustrated by Miriam Lobe

There's Always Room for One More is the perfect book to introduce kids and parents to diversity.

The rich families living in this town are just a finger's pull away.

There's a room for everyone, everyone a different color, everyone a different shape.

When the new kids arrive, everyone says they don't belong. But then, everyone finds a home.

For this new book, Robyn McCreath and Miriam Lobe have created a world where everyone belongs. It's a story about the power of love, the power of kindness, and the power of being the one who says, "There's always room for one more."

Robyn McCreath is a writer and illustrator who has written and illustrated many books for children. She is also a teacher and a mother. She lives in a small town in the mountains of Colorado.

There Is Always Room for One More Blessing Septimus Barrock, 2020-06-22 *There Is Always Room For One More Blessing* builds on the notion that it is too often the case where some people to their detriment insist on remembering the things that are worth forgetting while forgetting the things that are worth remembering This scenario sets up a condition indicating a degree of confusion and the need to embrace a mental blueprint as a traveling companion through the ups and downs of life This book addresses this reality by providing a varied set of original and inspirational quotes that the author proffers as guidelines for establishing a mental context for daily living It is written to give the reader a sense of purpose and clarity in deciding how to find that place where consciousness and confidence converge Each quote engages the reader s sense of introspection and forces him to find meaning in every experience
