Girl Falling Hayley Scrivenor, 2025-03-11 The USA Today bestselling Lambda Award winning author of *Dirt Creek* is back with a woman's story of the aftermath of the climbing incident that killed her girlfriend and getting to the truth. Torn between her girlfriend Magdu and her best friend Daphne Finn is looking forward to a day of rock climbing and bonding for the three women on the soaring cliffs near their Australian town. But nothing goes as she planned and in a horrific accident Magdu falls to her death. Rocked by grief Finn tries to pinpoint where it all went wrong. Did Magdu die because of Finn's friendship with overbearing Daphne who has never wanted Finn to change or leave her? Can Finn trace it all the way back to the tragic childhood loss of her sister? What about Magdu's family who would never have accepted their relationship? When the police suspect foul play in Magdu's death Finn begins to search for the shocking truth about her relationships and what has been in front of her all along. Beautifully written by the 1 internationally bestselling Lammy Award winning Hayley Scrivenor *Girl Falling* is a beautiful love story, a tender meditation on grief and a searing tale of just how much our lies can cost us.

Brueckner, 2016-05-25 High atop a mountain Keith Brueckner grappled with fear at the sight of an immense wall of steep ice and snow, a looming overhang and the descending grey of storm high on a face. Time after time as he bravely faced the unknown and elements beyond his control Brueckner opted to bury his fears, test his abilities and inner strength and join his mountaineering heroes in creating unforgettable adventures. In a narrative released posthumously Brueckner details over fifty years of climbs in the mountains beginning in 1938 in Switzerland when he first ascended a steep, dusty trail up the Rigi and discovered his love for thin air, spectacular views and physical challenges. In his entertaining anecdotes Brueckner leads others through his mountaineering adventures that took him from the Matterhorn to Mt Blanc to the Sierra Madra Half Dome, Mt Woodson and the Tetons. Brueckner not only shares a glimpse into a day in the life of an avid climber but also describes the technical aspects of mountain climbing, the equipment and the sometimes unforgivable terrain. Included are his personal ratings that classify climbs according to difficulty. *Mountaineering: A Personal History* is a nostalgic compilation of stories that chronicle one man's adventures as he scaled peaks in Europe and the United States and nurtured his passion to become one with the gods.
