The Poetics and Politics of Invective Humor Katja Schulze,2022-11-07 Vituperation disparagement and debasement seem to have become part of the mainstream discourse in contemporary US American media culture Zooming in on a distinct televisual comedy genre Katja Schulze explores the formal principles media specific realizations and the cultural work of disparagement in contemporary female led situation comedies Subsequently larger patterns of gender based invective strategies and conventions that define the dynamism of this comedic genre come into view Her study outlines case studies of popular sitcoms like Parks and Recreation Mike Molly and the revival of hit sitcom Roseanne thereby unearthing how the shows are able to stage humor as mass mediated deprecation a signifying practice with its own poetics and politics

Comic Drunks, Crazy Cults, and Lovable Monsters David Scott Diffrient,2022-12-01 Contradictory to its core the sitcom an ostensibly conservative tranquilizing genre has a long track record in the United States of tackling controversial subjects with a fearlessness not often found in other types of programming But the sitcom also conceals as much as it reveals masking the rationale for socially deviant or deleterious behavior behind figures of ridicule whose motives are rarely disclosed fully over the course of a thirty minute episode Examining a broad range of network and cable TV shows across the history of the medium from classic working class comedies such as The Honeymooners All in the Family and Roseanne to several contemporary cult series animated programs and online hits that have yet to attract much scholarly attention this book explores the ways in which social imaginaries related to bad behavior have been humorously exploited over the years The repeated appearance of socially wayward figures on the small screen from raging alcoholics to brainwashed cult members to actual monsters who are merely exaggerated versions of our own inner demons has the dual effect of reducing complex individuals to recognizable types while neutralizing the presumed threats that they pose Such representations not only provide strangely comforting reminders that badness is a cultural construct but also prompt audiences to reflect on their own unspoken proclivities for antisocial behavior if only in passing

The Queer Fantasies of the American Family Sitcom Tison Pugh,2018-02-27 Winner of the 2019 John Leo and Dana Heller Award for the Best Work in LGBTQ Studies from the PCA The Queer Fantasies of the American Family Sitcom examines the evasive depictions of sexuality in domestic and family friendly sitcoms Tison Pugh charts the history of increasing sexual depiction in this genre while also unpacking how sitcoms use sexuality as a source of power as a kind of camouflage and as a foundation for family building The book examines how queerness at first latent became a vibrant yet continually conflicted part of the family sitcom tradition Taking into account elements such as the casting of child actors the use of and experimentation with plot traditions the contradictory interpretive valences of comedy and the subtle subversions

of moral standards by writers and directors Pugh points out how innocence and sexuality conflict on television As older sitcoms often sit on a pedestal of nostalgia as representative of the Golden Age of the American Family television history reveals a deeper queerer vision of family bonds Download open access ebook here *The 100 Most Influential Entertainers of Stage and Screen* Virginia Forte,2016-07-15 This book presents biographies of 100 of the most influential entertainers of all time It includes the best known actors comedians directors and musicians who have kept audiences tuned in and have constantly pushed the limits of entertainment **New Books on Women and Feminism** ,2013 **New Books on Women, Gender and Feminism** ,2013
