ultimately comes out as background of unvarying strength is the fact that the English rule especially that by the English EAST INDIA COMPANY was really of benign qualities towards the common man of this area This book contains the story of an independent kingdom at the southern most end of the South Asian Peninsula which lost its independence in 1947 in the wake of a fool coming to power in England      *The Elizabethan Stage* Edmund Kerchever Chambers,1923      **Bulletin of the Institute of Historical Research** ,1979 Contains reports on archives and on the problems and methods of historical research summaries of unpublished historical theses produced at the institute addenda and corrigenda to the Dictionary of national biography the New English dictionary and other standard collections the migrations of historical manuscripts etc
