In this book, Elite Fear-Free and Low-Stress Handling Certified author Alana Lindsay Stevenson empowers cat parents and teaches them how to address and modify challenging feline behavior. You will begin by learning basic kitten care and feline developmental stages, how cats differ behaviorally from group animals such as dogs, and people, feline body language, and how cats handle stress. Alana provides concise instruction on how to gently handle cats, how to pick up and carry them, acclimate them to carriers, the use of towels, alternatives to scruffing, and how our body language affects cats. Packed with photographs for visual reference, this book offers clear guidelines and easily implementable strategies for resolving feline behavioral problems, such as failure to use the litter box, play aggression, petting aggression, inter-cat aggression, furniture scratching, jumping on counters, obsessing about food, night wailing, fear of people, aggression to strangers. The content is organized by topic for easy access to information as you need it. *The Good Cat Parent's Guide to Feline Behavior Modification* is for anyone who likes cats and wants to learn more about them.
