New Testament Theology Many Witnesses One Gospel:

New Testament Theology I. Howard Marshall, 2004-10-07 I Howard Marshall's New Testament theology guides students with its clarity and its comprehensive vision delights teachers with its sterling summaries and perceptive panoramas and rewards expositors with a fund of insights for preaching *A Concise New Testament Theology* I. Howard Marshall, 2008 Concise New Testament Theology *New Testament Theology PB* Howard Marshall, 2015-04-17 A 2005 ECPA Gold Medallion winner New Testament theology is essentially missionary theology writes I Howard Marshall Founded on a sure footed mastery of the data and constructed with clear thinking lucidly expressed this long anticipated New Testament theology offers the insights born of a distinguished career of study reflection teaching and writing on the New Testament Marshall's New Testament Theology will speak clearly to a broad audience of students and nonspecialists But even on the most familiar ground where informed readers might lower their expectations of learning something new Marshall offers deft insights that sharpen understanding of the message of the New Testament Here is a New Testament theology that does not succumb to the fashion of settling for an irreconcilable diversity of New Testament voices but argues that a synthetic New Testament theology is a real possibility Beginning with the Gospels and Acts proceeding to each of Paul's letters focusing then on the Johannine literature and finally looking at Hebrews and the remaining general epistles Marshall repeatedly stops to assess the view And gradually he builds up a composite synthesis of the unified theological voice of the New Testament On the way toward this synthesis Marshall highlights clearly the theological voices of the individual New Testament books Thus his New Testament theology serves also as a sort of introduction to the New Testament books making it double as an attractive complement to book by book introductions to the New Testament Here is a New Testament theology that will not only guide students and delight teachers but also reward expositors with a lavish fund of insights for preaching *A Theology of Matthew's Gospel* Michael J. Wilkins, 2025-10-07 A Theology of Matthew's Gospel develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity's redemption Matthew's Gospel establishes Jesus's identity as the heir to the promises of Israel's throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1 1 So this first Gospel offers evangelistic hope in Jesus's message of the gospel to Jews contending that they should turn to Jesus as their long awaited Messiah Matt 11 2 6 But strikingly Matthew's Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28 19 The book emphasizes the three horizons that comprise Matthew's gospel history theology and literature The first horizon focuses on Jesus's history ministry Here Matthew provides for us a record of God's activities in history in the arrival of Jesus Messiah and the kingdom of heaven The second horizon develops Matthew's theological perspective for his audience's Here we attempt to understand and isolate Matthew's unique theological perspective of God's activities in Jesus Messiah This is a central focus emphasizing

Matthew's theological perspective of the Old Testament Christology the kingdom of heaven discipleship the Church church Israel past present and future the death and resurrection of Jesus mission commission and eschatology eternity The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature Here we attempt to capture the significance of the perspective of today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church In this book we view Matthew's perspective of God's activities in Jesus's unfolding earthly ministry The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey Therefore Matthew's Gospel is at least in a part a manual on discipleship to Jesus Messiah in the kingdom of heaven In the six Narratives Matthew reveals Jesus's true identity in his deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses The six Narratives provide the example that Jesus's disciples are commanded to obey In the five Discourses Matthew records Jesus's instructions commands parables directives and prophecies that will guide his followers in their discipleship to Jesus until the end of the age Combined the narratives of Jesus's life provide Jesus's example to follow and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus

New Testament Theology and its Quest for Relevance Thomas R. Hatina, 2013-03-14

New Testament theology raises many questions not only within its own boundaries but also in relation to other fields such as history literary criticism sociology psychology history politics philosophy and religious studies But the overarching question concerns the relevance of two thousand year old writings in today's world How does one establish what is and is not relevant in the New Testament How does one communicate the ancient ideas presented in an alien language alien time and alien culture to a contemporary audience This book is intended to serve as a methodological introduction to the field of New Testament theology aimed at a range of readers undergraduate and Seminary students clergy and laypersons interested in the relevance of scripture It is a guide which aims to help readers understand how practitioners of New Testament theology have wrestled with the relationship between historical reconstruction of the New Testament and its interpretation in the modern world

Subversive Meals Streett R Alan, 2016-11-24

In *Subversive Meals* Alan Streett follows on from James C Scott's idea of a hidden transcript to argue that the Lord's Supper was a subversive non violent act against the Roman Empire Primarily through exegesis of the writings of Luke and Paul Streett examines the political nature of the meal in the context of first century Roman domination In his widely researched argument Streett illuminates for the reader why understanding the Lord's Supper as a purely symbolic act overlooks the political significance it would have had in the first century CE *Subversive Meals* analyses how the structure of the Lord's Supper followed that of a Roman banquet by having a deipnon and a symposium the latter being the time when anti resistance discussions would take place Streett examines several aspects of the history context and theological significance of the Lord's Supper He discusses such topics as the identification of Passover as an anti imperial meal against the Pharaoh's rule the Roman domination system the meal practices of Jesus the

eschatological meaning of the Last Supper the practice of this anti imperial work ethic in the early church and the gift of prophecy as a symposium activity By seeing the Lord s Supper as a political act readers will be able to study Scriptural passages more closely and precisely

40 Questions About the Historical Jesus C. Marvin Pate,2015-04-27 Answers to critical questions regarding the study of the Jesus of history and the Christ of faith The conclusions of the quest for the historical Jesus which casts the majority of Christ s life as a myth are a stark contrast to the orthodox view of Christ as presented in the Bible Pate demonstrates that a critical analysis of the gospel text along with historical and cultural methods of investigation actually point toward an orthodox view of Christ This work argues that the canonical Gospels are the most trustworthy information we have about the gospel writers as well as the life and ministry of Jesus including his death visit to hades resurrection and ascension Readers will be encouraged by the reliability of the Gospel writers the reality of Jesus humanity and deity and the inferiority of the apocryphal gospels

Matthew Grant R. Osborne,2010-10-19 Concentrate on the biblical author s message as it unfolds Designed to assist the pastor and Bible teacher in conveying the significance of God s Word the Zondervan Exegetical Commentary on the New Testament series treats the literary context and structure of every passage of the New Testament book in the original Greek With a unique layout designed to help you comprehend the form and flow of each passage the ZECNT unpacks The key message The author s original translation An exegetical outline Verse by verse commentary Theology in application While primarily designed for those with a basic knowledge of biblical Greek all who strive to understand and teach the New Testament will benefit from the depth format and scholarship of these volumes In this volume Grant Osborne offers pastors students and teachers a focused resource for reading the Gospel of Matthew Through the use of graphic representations of translations succinct summaries of main ideas exegetical outlines and other features Osborne presents the Gospel of Matthew with precision and accuracy Because of this series focus on the textual structure of the scriptures readers will better understand the literary elements of Matthew comprehend the author s revolutionary goals and ultimately discovering their vital claims upon the church today

Method, Context, and Meaning in New Testament Studies C. Kavin Rowe,2024-03-21 A masterful collection of essays in New Testament studies connecting Scripture theology and human life What is the purpose of studying the New Testament and how is it best approached Esteemed professor C Kavin Rowe explores these questions in sixteen incisive essays covering a range of topics including the state of New Testament studies as a field the relationship between historical criticism and theological reading interdisciplinary methodology comparative religion and New Testament Christianity truth claims of the New Testament What unites these diverse chapters is a holistic approach to the New Testament Against the modern tendency to separate disciplines Rowe unites philosophy theology history and biblical studies in fruitful conversation Most crucially he emphasizes the essential purpose of this academic work its implications for human flourishing With an insightful and bold approach Rowe s essays should be read by anyone interested in New Testament studies Scholars and students will find the essays in this

critical volume challenging and rewarding **Least of the Apostles** Brendan W. Case, William Glass, 2022-05-19 Least of the Apostles is a study of Paul's relation both in his ministry and through his epistles to the rest of apostolic Christianity. Studies relating Paul to Judaism, the Roman empire, or Greco-Roman philosophy abound; we adopt the comparatively neglected approach of relating Paul specifically to his fellow apostles. The first three chapters explore the influence on Paul of sources from the earliest church: James and his circle, the apostolic decree, and proto-Synoptic traditions, while the final three explore Paul's influence on Hebrews, Luke and John, and the Petrine Epistles. We conclude by considering the implications of these findings for New Testament theology.

When people should go to the books stores, search opening by shop, shelf by shelf, it is essentially problematic. This is why we offer the book compilations in this website. It will no question ease you to see guide **New Testament Theology Many Witnesses One Gospel** as you such as.
