conspiracists questions grew into suspicion suspicion grew into demands for more proof and unanswered demands turned into rage This pattern of denial and attack would come to characterize some Americans response to almost every major event from mass shootings to the coronavirus pandemic to the 2020 presidential election in which President Trump s false claims of a rigged result prompted the January 6 2021 assault on a bastion of democracy the U S Capitol The Sandy Hook families led by the father of the youngest victim refused to accept this Sandy Hook is the story of their battle to preserve their loved ones legacies even in the face of threats to their own lives Through exhaustive reporting narrative storytelling and intimate portraits Sandy Hook is the definitive book on one of the most shocking cultural ruptures of the internet era **Guide to**
