

The Moment

The moment when, after many years
of hard work and a long voyage
you stand in the centre of your room,
house, half-acre, square mile, island, country,
knowing at last how you got there,
and say, I own this,

is the same moment when the trees unloose
their soft arms from around you,
the birds take back their language,
the cliffs fissure and collapse,
the air moves back from you like a wave
and you can't breathe.

No, they whisper. You own nothing.
You were a visitor, time after time
climbing the hill, planting the flag, proclaiming.
We never belonged to you.
You never found us.
It was always the other way round.

A Concordance to the Poems of Robert Browning Leslie Nathan Broughton, Benjamin Franklin Stelter, 1925

A Concordance to the Poems of Robert Browning, **Poetry's Touch** William Addison Waters, 2003 To whom does a poem speak Do poems really communicate with those they address Is reading poems like overhearing Like intimate conversation Like performing a script William Waters pursues these questions by closely reading a selection of poems that say you to a human being to the reader to the beloved or to the dead In any account of reading lyric poetry Waters argues there will be places where the participant roles of speaker intended hearer and bystander melt together or away these are moments of wonder Looking both at poetry's you and at how readers encounter it Waters asserts that poetic address shows literature pressing for a close relation with those into whose hands it may fall What is at stake for us as readers and critics is our ability to acknowledge the claims made on us by the works of art with which we engage In second person poems in a poem's touch we may come to see why poetry matters to us and how we in turn come to feel answerable to it Poetry's Touch takes as a

central thread the poetry of Rainer Maria Rilke a writer whose work is unusually self conscious about poetic address The book also draws examples from a gamut of European and American poems ranging from archaic Greek inscriptions to Keats Dickinson and Ashbery

The Value of Poetry in the Schools Roger Henwood Motten, 1916

The Poetry of Tennyson Henry Van Dyke, 1890

Three Philosophical Poets George Santayana, 2012-04-16 I am no specialist in the study of Lucretius I am not a Dante scholar nor a Goethe scholar My excuse for writing about them notwithstanding is merely the human excuse which every new poet has for writing about the spring They have attracted me

they have moved me to reflection they have revealed to me certain aspects of nature and of philosophy which I am prompted by mere sincerity to express if anybody seems interested or willing to listen The modesty exhibited in the above disclaimer from Santayana s preface to Three Philosophical Poets should be viewed in the context of the author s extraordinary impact as a philosopher and teacher The Sense of Beauty has claim to being the first major work on aesthetics written in the United States the multivolume The Life of Reason is arguably the first extended analysis of pragmatism anywhere Among Santayana s many well known Harvard students Wallace Stevens has acknowledged a clear debt to his work Based on a course Santayana taught at Harvard Three Philosophical Poets was first delivered to the public as a series of lectures at Columbia University in 1910 Santayana s lifelong learned meditation on the relationship between philosophy and art is apparent Santayana s own prose style has long been considered among the most eloquent in all of philosophy Here he discusses the chief phases of European philosophy naturalism supernaturalism and romanticism as they are set forth and epitomized by the works of Lucretius Dante and Goethe respectively Praise for Three Philosophical Poets and its author A brilliant and admirable little book T S Eliot The exquisite and memorable way in which he has always said things has given so much delight that we accept what he says as we accept our own civilization His pages are part of the *douceur de vivre* Wallace Stevens Santayana was the real excitement for me at Harvard especially Three Philosophical Poets It really fixed my view of what poetry should ultimately be Conrad Aiken [A Concordance to the Poems of Emily Dickinson](#) S.
