This document is intended for use by authorized NMMA service centers only.

"Service Information" was created with focus on customer care. The purpose of this document is to provide further technical repair information for HONDA Reggae 50 phones on Level 1/4 service activities. It contains additional information such as e.g. "Component finder", "Temporary hand table" or "Antenna switch table". The "Signal overview" page gives a good and fast overview about the most important signals and voltages on board. Saving process time and improving the repair quality is the aim of this document. It is to be used additionally to the service manual and other training or service information such as service bulletins.
