Proverbs Principle Shari Grenier, 2008-04-20 The 31st chapter of the Book of Proverbs changes the way we look at women in Old Testament times. The Proverbs 31 woman was not a second class citizen. She was an equal partner to her loving husband, a cherished mother to her children, and a successful business woman. She was the wife of a prominent man and she helped those less fortunate. She created a lovely home for her family, made them beautiful clothing, and prepared gourmet meals. Was she some sort of a Biblical Superwoman? Not at all. She was a well rounded woman who had a sense of priorities and still found time for herself. Although she lived three thousand years ago, the Proverbs 31 woman is a relevant role model for today's woman. The Proverbs Principle is a blueprint for your way of life based upon the role model of the Proverbs 31 woman. But it goes much further than the Biblical passages. It offers ways to live a more fulfilling life in today's busy world and covers every aspect of a woman's life: her relationship with God, marriage and motherhood, family and personal finances, self improvement, health, beauty and fashion, homemaking and decorating, charity, career in thirty one chapters.
