Time Briton Hadden, Henry R. Luce, 1929 **Glint of Light on Broken Glass** Jason Monaghan, 2016-06-02 Jason Monaghan's historical novel *Glint of Light on Broken Glass* begins when sixteen year old George is called up for the island of Guernsey's militia just before the Great War. Guernsey is poor, backward and haunted by superstition and when George attempts to step up he is quickly rejected as lame. However, will anything change for him when out of the chipped corner of his glasses he sees a beautiful woman following him which makes him believe that she can tell him his future. More than a story of the Great War, *Glint of Light on Broken Glass* explores a new relationship that George cannot escape. With the beautiful Edith by his side, things could be perfect but she only has eyes for his tough, ambitious brother Artie. As the world beyond the island is engulfed in turmoil, life for the three young people quickly becomes complicated. George's obsession with both Edith and the mysterious woman who predicts the future threatens to tear the family apart. Will tragedy or good fortune surface for his family? *Glint of Light on Broken Glass* will appeal to those who enjoy historical romantic fiction with a twist of the mysterious. This story is one of the very few that reflects the unique language and character of the island people with a true sense of place. It weaves folklore and superstition giving the novel an edge of magical realism. comments Jason
