think she's the one Nathan admitted. But how do I get her to marry me in less than five weeks? Offer her a contract marriage. Carrington suggested. Her brother's surgery in exchange for her hand. Hook her with the bait then reel her in. My boy. Would it work? Nathan wasn't sure. All he knew was that once he had Amelie, he'd never let her go. Amelie Cavanaugh has survived a lifetime of hardships, losing her parents at eight, escaping foster care with her brother at fourteen, and fighting tirelessly to put herself through university. Just when life finally seemed to be falling into place, tragedy struck: her brother collapsed during a football game, leaving her desperate for help. Billionaire Dr. Nathan Michaels has everything: looks, power, and money, but his reputation as a playboy threatens his chance of inheriting the family empire. His grandfather gives him an ultimatum: marry within six weeks or lose everything. A fleeting glimpse of Amelie in the hospital caf  sets Nathan's heart ablaze, and when fate ties their lives together, he knows she's the one. But to win her, Nathan must offer a dangerous bargain: a marriage contract that could save her brother's life and bind her to him forever. What begins as a deal soon ignites into something neither of them can control. But when dark family secrets resurface, threatening to destroy both their futures, will Nathan and Amelie's fragile love survive?

Toxic Touch Box Set Books #1-3 Lexy Timms, Stop setting yourself on fire to keep someone else warm. Book 1: Noxious. Brady and Levi have been together since high school, since before he became famous and started thinking only about himself. Which he should, his football career is everything right now. Brady understands and doesn't mind she's slowly slipping into the background. Except when will it be fair to think about herself or to want more? Where is the line between selflessness and self-sacrifice? Sometimes she isn't sure she knows anymore. But if she has to think about a life without Levi, it feels wrong. They've always been there for each other. It's always been about the dream, the goal. Even if it ended up being his dream, his goal. Because if they're together, isn't it a team effort? Doesn't it become their dream, their goal together? Or is she just fooling herself? Is it normal for people in a relationship to feel this alone? Book 2: Lethal. Brady Simmons is struggling. A texted marriage proposal feels like a lame attempt to salvage their fraying relationship. When her boyfriend Levi Duncan makes strides at being better, Brady tries to convince herself that the rough patch is behind them and they can move forward. She forces herself to forget about the man that captured her attention in Vegas: James Gilmore. When she catches Levi cheating again, she realizes she has to make a change. Is it time she forges her own path? Book 3: Willful. To escape fear, you have to go through it, not around it. Brady Simmons is doing well for herself after leaving her ex behind. Her gallery is successful, and her paintings are selling, but she still longs for the one that got away: James Gilmore. An opportunity to work for a famous artist comes up. Brady decides to take the leap. She goes to England, finding herself close to where James lives. They meet again, and sparks fly like they never have before. When Brady sees the trajectory to fame, James is on it. She pulls back. She doesn't know if she can love another famous man.
