Crisis Era European Integration Jakša Puljiz, Hrvoje Butković, 2024-07-16 The year 2023 marked the tenth anniversary of Croatia's membership of the European Union the last acceding country to the EU and thus represents a fitting opportunity to explore the political economic and social dimensions of this tremendous

transformation This book examines how Croatia has changed over the last ten years and looks at the driving forces as well as the obstacles on its post accession path of Europeanisation The book argues that the Croatian case has special importance given that the last decade of European integration has arguably been the most challenging one yet It started with the Eurozone wide sovereign debt crisis and ended with the economic hardship caused by the COVID 19 pandemic and Russia s aggression on Ukraine Such demanding circumstances where agenda was often defined in an ad hoc way posed a huge test for Croatia s governmental capacity The book provides answers to the question of how successful Croatian policymakers were in dealing with the crises related challenges and other needed adaptations The book explores how EU membership has affected the design and implementation of selected national public policies the functioning of governing institutions and patterns of cooperation between main social actors Expert contributors analyse the impact of the EU membership in two principal areas political and economic with individual chapters addressing relevant topics The book is intended for researchers academics and students interested in these issues as well as policymakers entrepreneurs and lobbyists concerned with European integration

Fighting Poverty and Social Exclusion in the EU Matteo Jessoula, Ilaria Madama, 2018-06-14 In the field of anti poverty policies the interplay between the Europe 2020 overarching strategy and the Semester have marked major discontinuity vis vis the Open Method of Coordination for social protection and social inclusion Social OMC of the Lisbon phase This book therefore asks whether and how Europe matters in the fight against poverty and social exclusion by assessing the emergence and possible institutionalisation of a European multi level multi stakeholder and integrated policy arena in the new institutional framework Supranational developments multi level interactions as well as the strategy effects at the national level are analysed in six European countries Belgium Germany Italy Poland UK and Sweden with the aim to identify the key factors affecting the implementation of the Europe 2020 anti poverty strategy This book will be of key interest to students scholars and practitioners in social policy political science and European governance and more broadly to European Union politics European integrations studies sociology and economics
