Gullah Cuisine Charlotte Jenkins, William P. Baldwin, 2010. Take a journey into Chef Charlotte Jenkins' creative kitchen and also into her life. Charlotte and her husband Frank grew up Gullah at a time when the Old Ways were giving way to the New Ways, part of the generation that bridged those two worlds. Charlotte learned to cook the way her mama, her grandmama, and all the mamas that have come before her, by working alongside one another. She also trained at Johnson & Wales Culinary Institute in Charleston where she adapted the traditional recipes to be more healthful. In 1997 she and her husband Frank opened Gullah Cuisine in Mount Pleasant, South Carolina and were widely acknowledged as offering the best of authentic Gullah cooking. This book brings Charlotte's wonderful recipes to you and more than that, it's a tale of connection, sharing a world the Gullah built. Narrative is by critically acclaimed author William P. Baldwin, photographs by Pulitzer Prize nominee Mic Smith, and art by beloved Gullah painter Jonathan Green.

Drive-Thru Dreams Adam Chandler, 2019-06-25. This is a book to savor, especially if you're a fast food fan. Bookpage. This fun, argumentative and frequently surprising pop history of American fast food will thrill and educate food lovers of all speeds. Publishers Weekly. Most any honest person can own up to harboring at least one fast food guilty pleasure. In *Drive Thru Dreams*, Adam Chandler explores the inseparable link between fast food and American life for the past century. The dark underbelly of the industry's largest players has long been scrutinized and gutted, characterized as impersonal, greedy, corporate and worse. But in unexpected ways, fast food is also deeply personal and emblematic of a larger than life image of America. With wit and nuance, Chandler reveals the complexities of this industry through heartfelt anecdotes and fascinating trivia, as well as interviews with fans, executives and workers. He traces the industry from its roots in Wichita where White Castle became the first fast food chain in 1921 and successfully branded the hamburger as the official all American meal, to a teenager's 2017 plea for a year's supply of Wendy's chicken nuggets which united the internet to generate the most viral tweet of all time. *Drive Thru Dreams* by Adam Chandler tells an intimate and contemporary story of America, its humble beginning, its innovations and failures, its international charisma and its regional identities through its beloved roadside fare.

The Food Network Recipe Emily L. Newman, Emily Witsell, 2021-04-06. When the Television Food Network launched in 1993, its programming was conceived as educational; it would teach people how to cook well, with side trips into the economics of food and healthy living. Today, however, the network is primarily known for splashy celebrity chefs and spirited competition shows. These new

essays explore how the Food Network came to be known for consistently providing comforting programming that offers an escape from reality where the storyline is just as important as the food that is being created. It dissects some of the biggest personalities that emerged from the Food Network itself such as Guy Fieri and offers a critical examination of a variety of chefs' feminisms and the complicated nature of success. Some writers posit that the Food Network is creating an engaging important dialogue about modes of instruction and education and others analyze how the Food Network presents locality and place through the sharing of food culture with the viewing public. This book will bring together these threads as it explores the rise, development and unique adaptability of the Food Network. See You on Sunday Sam Sifton, 2020-02-18 NEW YORK TIMES BESTSELLER. From the New York Times food editor and former restaurant critic comes a cookbook to help us rediscover the art of Sunday supper and the joy of gathering with friends and family. A book to make home cooks and those they feed very happy indeed. Nigella Lawson NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY NPR Town & Country Garden of Eatin' People are lonely Sam Sifton writes. They want to be part of something even when they can't identify that longing as a need. They show up. Feed them. It isn't much more complicated than that. Regular dinners with family and friends he argues are a metaphor for connection, a space where memories can be shared as easily as salt or hot sauce where deliciousness reigns. The point of Sunday supper is to gather around a table with good company and eat. From years spent talking to restaurant chefs, cookbook authors and home cooks in connection with his daily work at The New York Times, Sam Sifton's See You on Sunday is a book to make those dinners possible. It is a guide to preparing meals for groups larger than the average American family though everything here can be scaled down or up. The 200 recipes are mostly simple and inexpensive. You are not a feudal landowner entertaining the serfs and they derive from decades spent cooking for family and groups ranging from six to sixty. From big meats to big pots with a few words on salad and a diatribe on the needless complexity of desserts, See You on Sunday is an indispensable addition to any home cook's library. From how to shuck an oyster to the perfection of Mallomars with flutes of milk from the joys of grilled eggplant to those of gumbo and bog, this book is devoted to the preparation of delicious proteins and grains, vegetables and desserts, taco nights and pizza parties.
