Governance and Policy in Sport Organizations Mary A. Hums, Joanne C. MacLean, 2017-05-11 The third edition of Governance and Policy in Sport Organizations introduces readers to the power and politics of sport organizations It explores the managerial activities essential to governance and policy development and it looks at the structure and function of organizations like those with which readers will interact in the workplace It also demonstrates where the power lies in an organization or industry segment and how individual sport organizations fit in to the greater industry Current policy issues and the ethical questions they raise are also addressed Real world case studies demonstrate the types of dilemmas that sport managers face every day In addition professional administrators from a wide variety of sport organizations contribute their perspectives giving readers a glimpse into the real concerns of sport professionals and the impact of governance and policy on their jobs The book's practical foundations readability and logical organization all help readers to understand the big picture of the sport industry and their place in it as future sport managers New to the third edition is a chapter on individual professional sport which explores how this industry segment differs from professional sport leagues In addition contributions from Thierry Zintz from the Universite catholique de Louvain offer insights into European sport organizations

Case Studies in Coaching Ethics Anthony Parish, Timothy Baghurst, 2023-09-15 Coaches are placed in a myriad of ethical decision making situations Making decisions such as playing time boosters parents social media power differentials scholarships and relationships are just a few examples of what a coach may need to navigate While many day to day situations are easily resolved some are not Therefore how and by what process should a coach make these decisions This book presents a variety of cases based on true stories that present some of the ethical decisions coaches must make across high school collegiate and professional sports Using a sequential system of less to more complicated 40 case studies are presented across the sports spectrum that coaches have experienced This is a key component of the book Although names and situations have been changed these cases have happened and provide real applicability to coaches In addition each case may contain multiple situations perhaps with no right answer that test a coach's value system and ability to prioritize actions Questions are provided at the end of each case that allow for reflection The primary audience for this book includes current coaches as well as students in coach education programs at both the undergraduate and graduate levels

Whither College Sports Andrew Zimbalist, 2021-11-12 Intercollegiate athletics is under assault from all sides Its economic model is yielding increasing and unsustainable deficits and widening inequality Coaches and athletic directors are the highest paid employees

at FBS universities NCAA Division I Football Bowl Subdivision by factors of five to ten or more Athletes are being cheated on their promised education do not receive adequate medical care and are not allowed to receive cash income Substantial change either toward reasserting the intended primacy of education for intercollegiate athletes or a further surrender to commercialism is coming This book lays out the starkly different paths that college sports reform can follow and what the ramifications will be on the athletes and on the institutions in which they are enrolled Sports Concussions Isabelle Gagnon,Alain Ptito,2017-11-22 Sport related concussions have become an increasingly important topic as evidenced by recent media attention Due in large part to the complex nature of concussive injuries there is great discrepancy in the effect these injuries have on individual functioning and the type and nature of services that best facilitate recovery This book is intended as a complete reference guide dealing with sports related concussions Sport Leadership in the 21st Century Laura J.
