

THROUGH THE EYES OF A CHILD

Words & Music- Sam Francis, Gary Francis

Through the eyes of a child we see happiness and joy
For all the children in the world...each girl and each boy
We look for good in others and strive to be a friend
Help those in need with broken hearts to mend.

Through the eyes of a child this world should always be
A place where we can live our dreams in peace and harmony.
Through the eyes of a child there's so much we can see
A world that's filled with hope and love good friends and family.

When trials seem like rainclouds filled with darkness of the night,
Children see a rainbow with each color shining bright.
It glows with love and kindness and turns into a ray.
The light that shines within our hearts each day.

Oh, how can we be happy when someone else is sad?
We've got to make some changes so that they won't feel so bad.
By reaching out to others and helping where we can
True happiness will spread throughout the land.

Through the eyes of a child this world should always be
A place where we can live our dreams...in peace and harmony.
Through the eyes of a child there's so much we can see
A world that's filled with hope and love good friends and family.

Though we're not big in size you will soon realize
How wonderful this world could be
If you would look through the eyes of a child like me!
