your ground of being is stripped away Tony met God when he was four years old through the love of his mother When he was twelve he realized he had a crush on one of his male friends and grew convinced God would have nothing to do with him At sixteen Tony reencountered God who affirmed that nothing stood between them but love When he was twenty three married to the girl of his dreams and on staff at a church Tony s secret came out and he came close to losing it all What followed was arduous years of deconstruction losing everything he thought he knew about God only to rediscover God in the mystery This God was not a new God it was the same one as before just seen with regenerated faith This God was more beautiful and restorative than Tony could have ever imagined Tony s story is not uncommon in the modern evangelical landscape Thousands of people throughout the West are experiencing a crisis of faith that is commonly referred to as deconstruction With raw honesty Tony uses his own story as a starting point for a dialogue on the deconstruction process Tony unpacks what the deconstruction process is why it happens and how the church can help people experiencing a crisis of faith without worsening it along the way In this memoir Tony candidly pleads for the church to make a turn not to a trendier progressive version of Christianity nor to a stricter form of fundamentalism but to the revolutionary Jesus centered movement that changed the face of the earth A movement once better known for its society of healing love than its dogma
