Oblivion's Galaxy - The Complete Trilogy Dylan McFadyen, 1900 First Lieutenant Shaara was dead this morning Her captain is furious at her She wasted company resources getting herself killed and it s coming out of her paycheck Now she s sitting across from the first other human being she s seen in six years His name is Adnan He claims to come from Earth but that s impossible Earth died a long time ago If Adnan s telling the truth he and the decaying ship the captain pulled him off are nearly a thousand years old Wherever he s from he s Shaara s responsibility now Which is the last thing she needs But it s either that or the captain sells Adnan into slavery Shaara knows what that would mean Most humans do And something inside her won t let her abandon Adnan to it revenant

memories stabbed awake by the look in his eyes Facing those memories won't be easy It'd be far easier to ignore the feeling driving her forward Far easier to let it all go to hell and drift back to sleep Until a shadowy new faction starts stoking the fires of war They're looking for Adnan Earth's last survivor holds the key to unleash a terrible indiscriminate vengeance on the galaxy that wronged them Who they are is a mystery to everyone but Shaara Hard as she's tried to forget she knows them all too well Which means she's the only one who can stop them The question is does she want to Maybe the galaxy's earned a little vengeance The first book in the trilogy Oblivion's Cloak won First Place in the Space Opera category at the 2023 Cygnus Awards

Oblivion's Triumph Dylan McFadyen, 2023-08-24 Shaara is running out of friends The sacrifices she and Warden made two years ago bought the League time not victory The war against the Undying has left them exhausted drained of everything but hope and precious little of that The simple fact is that the Undying are going to win Warden knows it Shaara knows it The Undying sure as hell know it Until out of the black the Eternal comes to Shaara with an offer she can't refuse however much she'd like to The threat he warned her about two years ago is real and now it's come calling It cares nothing for their little war All life in the galaxy Undying or not will end if it spreads unchecked Shaara and the Eternal have little choice but to work together to destroy it At least for now But people on both sides aren't happy with an alliance however temporary Some of them are willing to risk all that lives just for a shot at power and revenge If Shaara can't find a way to defeat them she and the few friends she has left will lose more than their lives They'll lose everything

Utopia or Oblivion R. Buckminster Fuller, 1963 Utopia or Oblivion is a provocative blueprint for the future This comprehensive volume is composed of essays derived from the lectures he gave all over the world during the 1960's Fuller's thesis is that humanity for the first time in its history has the opportunity to create a world where the needs of 100% of humanity are met This is what man tends to call utopia It's a fairly small word but inadequate to describe the extraordinary new freedom of man in a new relationship to universe the alternative of which is oblivion R Buckminster Fuller Description by Lars Muller Publishers courtesy of The Estate of Buckminster Fuller
