organisation and management of the Water School session and discussing the learning environment and its implications for children's wellbeing and development. It clearly explains the key principles of this recently developed contemporary approach and sets out a framework for setting up and leading a Natural Water School programme. The book shows how the aims and outcomes of early years education including the Early Years Foundation Stage can all be achieved within the Natural Water School environment and is supported by examples and case studies throughout. Full of practical suggestions and activities it includes Activity ideas covering topics such as wildlife sensory activities, crafts, social development, physical play and construction in different seasons. Unique teaching tools to observe and develop the children. Ideas for working with children of different ages and learning styles. Detailed guidance on health and safety including risk assessments. Offering a sound historical background, a solid pedagogical framework and a step by step guide to Natural Water School practice, this handy text will help students and practitioners to fully understand this new and increasingly popular approach to early years education and how it can benefit the children they care for.
