*The Answer: Thoughts are Things* Marion Collin, 2015-08-26. Thoughts are Things. Is Life part of an Eternal Plan? Yes. Is your Life already planned out? No. Your own Mind and Mindfulness attracts Life to you. Give yourself time to reflect on events in your life up to today. Have things gone pretty much as you expected them to be, with both successes and low points? Now what if you came to realize that what you were or were not thinking influenced what you experienced? Would that be a shock to you? You are meant to Plan your life and your own reality. The Plan for thousands of years for human kind has been to do exactly that: Plan your own future through focused Thought and the Power of your Brain. People today are on the cusp of learning that there is an Internal Power, a Divinity within each of us, to discover The Kingdom is Within You and All Around You. To create a positive reality for yourself, you must learn the capability of your own brain to focus your Conscious mind to connect with your Subconscious Power and the Universal Mind. Harnessing this knowledge will attract to you the reality that you want to experience in this lifetime. The Answer has been part of The Eternal Plan since the beginning of the universe. We haven't been Seeking Knowledge in the right places. Humanity's true potential is to create the lives we desire, and the Pathway has been in front of us all along. Thoughts are Powerful Things.
