Robert Schumann Folies Et Musiques:

Robert Schumann, folies et musiques Philippe André, 2014-10-18 À l'âge de quarante trois ans une veille de carnaval Robert Schumann se jette dans le Rhin Sauv par des marinières il est aussitôt interné dans un établissement psychiatrique près de Bonn Loin de ses proches il ne compose plus son état se dégrade de jour en jour et il y meurt deux ans et demi plus tard Quelle fut précisément la folie de ce compositeur dont l'œuvre si géniale se situe l'apogée du romantisme allemand Tourment et tout au long de son existence sa musique influença-t-elle cette maladie En retour son travail de création joua-t-il un rôle dans l'évolution de sa pathologie Partant des éléments biographiques musicaux et psychanalytiques s'appuyant sur des documents psychiatriques encore inédits Philippe André relate l'histoire d'un destin particulièrement tragique et douloureuse celle du plus poète de tous les musiciens *Le génie et la folie en peinture, musique, littérature* Philippe Brenot, 2007 Reprise augmentée et mise à jour du livre de Philippe Brenot paru aux éditions Plon en 1997 **Schumann's**

Dichterliebe and Early Romantic Poetics Beate Julia Perrey, 2002 This book offers a theory of Romantic song by re-evaluating Schumann's *Dichterliebe* of 1840 one of the most enigmatic works of the repertoire It investigates the poetics of Early Romanticism in order to understand the mysterious magnetism and singular imaginative energy that imbues Schumann's musical language The Romantics rejected the ideal of a coherent and organic whole and cherished the suggestive openness of the Romantic fragment the disconcerting tone of Romantic irony and the endlessness of Romantic reflection thereby realizing an aesthetic of fragmentation Close readings of many songs from *Dichterliebe* show the singer's intense involvement with the piano's voice suggesting a split Self and the presence of the Other Seeing Schumann as the second poet of the poem here of Heine's famous *Lyrisches Intermezzo* this book considers essential issues of musical poetic intertextuality introducing into musicology a hermeneutic that seeks to synthesize philosophical literary critical music analytical and psychoanalytical modes of thought **Music, Subjectivity, and Schumann** Benedict Taylor, 2022-04-07 The concept of

subjectivity is one of the most popular in recent scholarly accounts of music it is also one of the obscurest and most ill-defined Multifaceted and hard to pin down subjectivity nevertheless serves an important if not indispensable purpose underpinning various assertions made about music and its effect on us We may not be exactly sure what subjectivity is but much of the reception of Western music over the last two centuries is premised upon it *Music Subjectivity and Schumann* offers a critical examination of the notion of musical subjectivity and the first extended account of its applicability to one of the composers with whom it is most closely associated Adopting a fluid and multivalent approach to a topic situated at the intersection of musicology philosophy literature and cultural history it seeks to provide a critical refinement of this idea and to elucidate both its importance and limits **Music of the past, instruments and imagination** Michael Latham, 2006 Ce volume présente les délibérations des Deuxièmes Rencontres Internationales harmoniques du printemps 2004 Les conférences ont été données par des experts des instruments claviers et des cuivres L'accent a été mis sur une variété de traditions

historiques de facture instrumentale et sur l'histoire du renouveau de l'utilisation d'instruments anciens. Les contributions traitent non seulement des paramètres des pratiques instrumentales mais encore de l'inspiration donnée dans ces domaines par quelques pionniers du renouveau de la musique ancienne. Dans bien des cas, les auteurs se sont penchés plus spécialement sur l'interprétation de la musique de Johann Sebastian Bach. This volume presents the proceedings of the second International Congress organised in Lausanne by the Harmoniques Foundation and held in the Spring of 2004. The papers were given by experts on brass and stringed keyboard instruments. The emphasis was on a variety of historical instrument making traditions and on the history of the revival of the use of early instruments. The contributions not only included detailed discussions regarding the parameters of performance practice and the use of historical instruments but also about the inspiration given by some of the leading revivalists in these fields. In many cases the contributors placed a special focus on the performance of the music of Johann Sebastian Bach.

Quatre grands compositeurs bipolaires François Buhler, 2019

première vue la dépression ne semble pas favorable à la créativité puisqu'elle entraîne un ralentissement des fonctions psychiques, apathie, des troubles de concentration, inhibition, etc. Mais les liens entre la créativité et le spectre bipolaire ne peuvent se ramener à quelques considérations aussi simples et réductrices. Il suffit de considérer le nombre impressionnant d'œuvres créées dans une extrême ferveur parfois sous influence et avec une rapidité phénoménale par des maniaques ou, au contraire, créées par des dépressifs tout aussi notoires, des dépressifs unipolaires par exemple, pour être ramenés à une vision plus nuancée. Puis il faut prendre conscience que chaque pôle a ses facteurs favorables qui permettent de contrebalancer les effets négatifs de l'autre pôle. La dépression, par exemple, permet à ses artistes de corriger les excès de la phase maniaque, d'obtenir un gain considérable de la valeur de l'œuvre par le recul, la distance, la réflexion, l'autocritique, la pondération des idées, l'apport de compléments, tous facteurs qui engendrent un meilleur équilibre, une plus grande profondeur, une amélioration des structures qui sont souvent les premières à faire les frais de la ferveur maniaque, ainsi que la possibilité et la décision éventuelle, due au doute, de recourir à un œil extérieur ou, tout au moins, des comparaisons très profitables. Les événements de la vie sont très importants dans le développement des troubles bipolaires. Il est avéré que l'existence des créateurs est souvent mouvementée, rythmée par des souffrances, notamment dans l'enfance, des voyages et l'instabilité. Beaucoup ont eu des parents manifestant des troubles de l'humeur et connu la dépendance des drogues. Cependant, la souffrance psychique générée par cette maladie ne devrait plus occulter de nos jours, chez ceux qui en sont victimes, l'immense richesse que peut apporter la personnalité que l'on a prise l'habitude d'appeler le côté soleil de cette affection. Car les bipolaires ne sont pas que victimes de leur maladie, ils ne font pas que souffrir. Quelles que soient chez eux les interactions entre la créativité et la maladie, il est reconnu aujourd'hui qu'ils possèdent souvent un degré supérieur aux autres, les dons merveilleux de sensibilité, d'originalité, d'inventivité, d'inspiration et d'imagination. Les 204 personnalités mentionnées dans ce livre en sont l'irrefutable preuve. Comment la bipolarité et ses troubles se manifestent-ils dans la vie et l'œuvre de grands créateurs ? A posteriori et à l'aune des avancées médicales sur cette

maladie comment relire les crits et les trajectoires de ces femmes et hommes Combinant immersion dans les textes littéraires et enquête sur le quotidien souvent tourment de créatrices et créateurs aux prises avec cette pathologie sans omettre toute la portée filiale de celle-ci François Buhler compose un essai bibliographique aussi accessible qu'intelligent aussi clairant que passionnant Page 4 of cover

Johannes Brahms Brigitte François-Sappey, 2018-10-03 Avec ce livre sur Brahms 1833-1897 Brigitte François-Sappey creuse plus profond le sillon de la musique allemande romantique qu'elle a tracé dans de nombreux crits En s'engageant avec chaleur en faveur du compositeur exigeant du Requiem allemand parfois mal compris elle claire le parcours d'un jeune musicien irrésistible et surdoué qui à Hambourg a trouvé dans la ville sainte de la musique Vienne le lieu propice à sa création Sa rencontre décisive avec Schumann le marque d'un sceau indélébile Toute son existence il entretiendra une relation privilégiée musicale et affective avec Clara Schumann et sera lié de façon décisive pour son œuvre avec les grands interprètes de son temps au premier rang desquels Joseph Joachim En dépit de controverses esthétiques l'opposant Liszt et Wagner ses ans il est reconnu comme un maître couvert d'honneurs et sera révéré par ses successeurs ceux de l'école de Vienne entre autres Cet ouvrage de référence actuel pour paraphraser le Brahms Aktuell d'Adorno attendu par de nombreux mélomanes entrelace une biographie vivante intégrant toutes les œuvres un essai très personnel au plus près de l'espace mental complexe de Brahms et un vaste panorama de sa réception particulièrement en France Docteur s lettres professeur honoraire au Conservatoire national supérieur de musique de Paris Brigitte François-Sappey est l'auteur de nombreux ouvrages en particulier chez Fayard Robert Schumann 2000 Felix Mendelssohn 2008 La Musique dans l'Allemagne romantique 2009 De Brahms Mahler et Strauss le postromantisme allemand 2010 La Musique en France depuis 1870 2013 La Musique au tournant des siècles 89-14 2015

Le Guide Musical, 1883 La musique qui défie la science Michel Rochon, 2023-10-11 T00:00:00-04:00 On ne peut pas vivre sans musique Dès les premiers instants de la vie intra-utérine jusqu'aux grands moments qui traversent la vie de tout un chacun la musique a des effets encore mal compris sur notre développement Notre relation avec la musique n'est pas sans mystère Et les questions fusent de toutes parts ce propos Comment la musique peut-elle être bénéfique pour le corps et l'âme Peut-elle être utile à la médecine

Schumann Piero De Martini, 2020-06-04 Dsseldorf 1856 Da due anni ormai Robert Schumann vive nell'isolamento della clinica psichiatrica di Endenich non vede più l'amata moglie Clara e solo le rare visite concesse dai medici al giovane amico Johannes Brahms danno respiro a pomeriggi tutti identici trascorsi a compilare elenchi su atlanti geografici e a esporsi ai demoni che insidiano la sua mente A ossessionarlo un Concerto per violino composto poco prima del ricovero Che ne ha fatto Perch non viene pubblicato Perch Joseph Joachim a cui dedicato non lo suona Gli amici lo rassicurano con qualche promessa con qualche mezza verità Ma sono solo bugie pietose non vogliono rovinare la reputazione del compositore con un'opera che non giudicano all'altezza espressione di una mente già inabissata nella follia questa la dolorosa verità Hanno ragione tutti coloro che improvvisamente a partire dal 1850 calano una scure d'indifferenza sulle opere del genio malato Non di questo avviso Piero De Martini che con l

acribia del ricercatore e la dolcezza del discepolo andato sui luoghi estremi del passaggio di Schumann per riempire i vuoti dei testi biografici e dei cataloghi discografici Scoprendo così opere messe troppo frettolosamente da parte da critici ed esecutori di ieri e di oggi che rappresentano un patrimonio importante e dimenticato di un autore che cercava di percorrere vie nuove senza essere compreso le vie che porteranno a Mahler e a Sch nberg L ultimo capitolo di Schumann una biografia essenziale e commovente che indaga la vita del compositore tedesco per capire meglio la sua opera Perch mai come nel caso di Schumann la musica specchio fedele della complessità di una natura geniale e poetica l urgenza con la quale si gettava nel comporre il lacerante dualismo l vation e ennui che avvelena l esistenza e arricchisce l arte la forza delle emozioni tra l amore sconfinato per Clara e la sconfinata malinconia il sentimento di morte che mai lo ha abbandonato fanno di questo eccezionale artista la quintessenza del Romanticismo in musica *Dwight's Journal of Music* John Sullivan Dwight,1873

The Top Books of the Year Robert Schumann Folies Et Musiques The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
