### **Franco-American Identity, Community, and La Guiann e**

Anna Servaes, 2015-04-10 French traditions in America do not live solely in Louisiana Franco American Identity Community and La Guiann e travels to Ste Genevieve Missouri and Prairie du Rocher Illinois to mark the Franco American traditions still practiced in both these Midwestern towns This Franco American cultural identity has continued for over 250 years surviving language loss extreme sociopolitical pressures and the American Midwest s demands for conformity Ethnic identity presents itself in many forms including festivals and traditional celebrations which take on an even more profound and visible role

when language loss occurs On New Year's Eve the guionneurs revelers who participate in the celebration disguise themselves in eighteenth and nineteenth century costume and travel throughout their town singing and wishing New Year's greetings to other members of the community This celebration like such others as Cajun Mardi Gras in Louisiana Mumming in Ireland and Newfoundland as well as the Carnaval de Binche belongs to a category of begging quest festivals that have endured since the Medieval Age These festivals may have also adapted or evolved from pre Christian pagan rituals Anna Servaes produces a historical context for both the development of French American culture as well as La Guianne in order to understand contemporary identity She analyzes the celebration which affirms ethnic community drawing upon theories by influential anthropologist Victor Turner In addition Servaes discusses cultural continuity and its relationship to language revealing contemporary expressions of Franco American identity     Charles de Foucauld's Reconnaissance au Maroc.

1883-1884 Rosemary A. Peters-Hill, 2020-09-25 Reconnaissance au Maroc is Charles de Foucauld's adventurous account of his Moroccan explorations For eleven months in 1883-84 Foucauld travelled through a country then off limits to Europeans documenting its landscape and charting its waterways He travelled in disguise as a Russian rabbi Joseph Aleman accompanied by the real rabbi Mardoché Aby Serour and sought hospitality in the mellahs Jewish quarters of villages along their route Foucauld meticulously recorded every day of his time in Morocco and by the time his memoir was published in 1888 it had already garnered praise in France and the prestigious gold medal from the Société de Géographie de Paris The book is more than merely a travel memoir however as an artefact of cultural and religious encounter and as a scientific compendium Reconnaissance au Maroc offers an extraordinary glimpse of the late nineteenth century French mentality toward North Africa as well as a cross section of Moroccan society in the pre colonial era Rosemary Peters Hill's volume translates Foucauld's work into English for the first time situating Reconnaissance within the contexts of both late nineteenth century French writing about ailleurs other places and Foucauld's own journey through Morocco the other place where paradoxically he found his true self and calling     Le Point, 1990     The Victoria and Albert Museum Elizabeth
