Role Model Essay 1 (200 words)

I love my mom; I love her the most, is the thought that comes to my mind when I think about her. She is the one who loves me unconditionally and cares for me beyond imagination. When she embraces me I get the most tranquil feeling in life. She knows it all before even I know what I want in my life. She reads my silence, my tears, my mind and my heart. But, does she know that she has the biggest place in my heart...? Life doesn't come with any manual it just comes with a mother and all our questions and doubts in life are answered. One person that I always want besides me is my mom. She constantly plays so many roles in my life be it a teacher, mentor, cook or a doctor and so on. Her selflessness is unmatched. She endures all the problems in life with a smiling face and stands strong and firm. She is my inspiration to be a strong and loving mother. She is truly my role model. Though, I never know whether I can ever fit in her shoes. It breaks my heart when she is upset or when she falls sick. I have one little prayer to God; just keep my parents healthy and happy forever.

Role Model Essay 2 (300 words)

Father is the only man in the world who will never hurt his daughter. A father daughter relation is the most beautiful relation in the world. It is so cute and touching how fathers care for their daughters and enjoy their tantrums. My father is my role model. I am his first priority and he is always partial towards me than my brothers. He pampers me and makes me feel like the most special daughter in the world. Like every other father he too is very protective for me. He never forgets to buy special gifts for me from everywhere he travels for business. He supports me and guides me through each and every phase of my life. I share unexpressed bond with my father that comprises of respect, love and care. He is an introvert who generally doesn't express his feelings when he is upset, but I understand how he feels on different occasions. I know the wounds of his heart and the struggles he has done throughout his life. His children are his world and he has always provided them with what they want, even in the most challenging periods of his life. He has always been strong and firm, but he never complains or shows that he is tired of being so strong, but I do know. I really know he is and it really pinches my heart. He believes strongly in humanity and lives with his ethics in life. He is the most kind-hearted person and never ever wishes evil for anyone in life. He is hardworking, dedicated and sincere in his work. He is a simple person and loves to live a simple life. He inspires to be a good human being in life. I love him. He is the most special man in my life. He will forever be my hero, mentor and guide throughout my life.
