shouldered man whose eyes she found entrancing Rock wasn't sure how this was supposed to go He was a complete stranger showing up at this lady's house and needing to have a very intimate conversation with her He thought about turning around getting back into his car and driving away But then he heard a little laugh coming from the back yard He knew instantly that it was his cub and nothing was going to stop him from being the best father he could be Jackson Olivia Hendricks put on her best face as she looked in the mirror Her best friend's wedding was finally here and she was happy to stand for her friend But there was no denying that her body had seen better days Her toddler tugged at his adorable little tux like a wild animal as they scooted out the door Could today just be over Jackson saw her from across the dance floor and she took his breath away He watched her sway back and forth to the music her son on her hip Every nerve in his body screamed that that was his cub He couldn't believe that the little was actually real actually there in front of him Taking a deep breath he made his way to the two most important people in his life Clay Chloe was exhausted Moving from New York City to Ithaca NY had been a real strain on this city girl Her darling son Noah had been a handful as usual but lately he'd been behaving strangely around the other kids his age A nice trip to the zoo would let him get out some of that energy and hopefully let Chloe relax a little bit But whatever the day had in store for her relaxation would play no part in it Clay knew this was the wrong way to do it Trying to naturally meet someone you've been tracking down is never going to work but what choice did he have She was raising his cub and that meant the normal playbook was going right out the window As soon as he laid eyes on her he had a feeling that the wrong way was going to suit him just fine Rust Rust was a man in pieces He never had much going for him truth be told His broad shoulders and the golden shine in his Bear Shifter eyes meant he had few enemies but that didn't matter now Haunted and tormented by a terrible event he decided he'd had enough drowning in pity and sorrow He would meet his fate no matter the consequences And if he could make someone's life a little better in the process so be it
