Flynn, 2015-04-01 What is a rubric and how are they being used in teacher education and evaluation When did rubrics become ubiquitous in the field of education What impact do rubrics have on students teachers teacher educators and the educational enterprise This book is an edited volume of essays that critically examine the phenomenon of rubrics in teacher education evaluation and education more broadly Rubrics have seen a dramatic rise in use and presence over the past twenty five years in colleges of education and districts across the country Although there is a wealth of literature about how to make rubrics there is scant literature that explores the strengths and weaknesses of rubrics and the impact the rubric phenomenon is having in reshaping education The chapters included in this edited volume will critically reflect on the contemporary contexts of rubrics and the uses and impact of rubrics in education Since rubrics have become indelible in education it is necessary for a fuller nuanced discussion of the phenomenon Creating a book that explores these aspects of rubrics is timely and fundamental to expanding the discourse on this ubiquitous evaluation tool This book is not meant to be a series of chapters dedicated to best practices for creating rubrics nor is this text meant to present all sides of the rubric discussion Rather this text intends to offer critical polemics about rubrics that can spur greater critical discussion about a phenomenon in education that has largely been unquestioned in the literature Scientific Argumentation in Biology Victor Sampson, Sharon Schleigh, 2013 Develop your

high school students understanding of argumentation and evidence based reasoning with this comprehensive book Like three guides in one Scientific Argumentation in Biology combines theory practice and biology content It starts by giving you solid background in why students need to be able to go beyond expressing mere opinions when making research related biology claims Then it provides 30 thoroughly field tested activities your students can use Detailed teacher notes suggest specific ways in which you can use the activities to enrich and supplement not replace what you re Teaching Writing Mary Frances Claggett,2005 This new resource for writing teachers helps students set purpose and find form for their writing In today s educational climate it is more important than ever that we prepare our students to be effective and competent writers who can write for a variety of purposes How can we teach our students the skills they need to be successful while also fostering an appreciation for the process craft and art of writing Drawing from sound theory and research as well as on many years of experience in the English classroom Fran Claggett and colleagues Joan Brown Nancy Patterson and Louann Reid have created a writing teacher s resource to help both new and experienced teachers sort through the often complex issues in the teaching of writing With innovative teacher tested strategies for creating a classroom in which students thrive as writers Teaching Writing Craft Art Genre is a must have addition to every writing teacher s library In this volume you ll discover research based discussions on key issues classroom ready lessons for teaching genre methods for incorporating poetry into the writing program rationale and lessons for using modeling to teach writing ideas for integrating technology in the English classroom strategies for teaching grammar in contexts for writing examples of student work that illustrate teaching concepts sample rubrics for assessment and student self assessment and an extensive bibliography of resources

Liminal Spaces of Writing in Adolescent and Adult Education Jin Kyeong Jung,Mellinee Lesley,Rene Saldana,Julie Smit,2022-03-03 Liminal Spaces of Writing in Adolescent and Adult Education addresses the persistent gap in writing reform at the middle secondary and post secondary level Through an examination of useful and liminal writing the book explores the intellectual and creative space where structured expectations verge with individual imagination in writing The premise of the book is built around a multiplicity of ways to invite adolescent and adult students to enter into states of liminality where they are encouraged to experiment with style form genre and voice Through research featuring the perspectives of adolescents classroom teachers teacher educators graduate students and literacy researchers the book offers numerous insights into fostering a liminal and useful approach to writing instruction Each author takes the reader through a journey of finding the liminal as teachers writers and researchers Taken together this tapestry of perspectives puts forth the argument that liminal moments are necessary caveats to explore in order to cultivate fully actualized writing where students are in control of structures and traditional writing expectations but also free to imagine new ways of breaking with conventions and being as writers Thus the book argues liminal writing is critical in bringing about sustained writing reform **High Literacy in Secondary English Language Arts** Marc Nachowitz,Kristen C. Wilcox,2018-11-07 This volume culls scholarship on both

what high literacy is and how it is developed It embraces the call put forth by Langer and Applebee 2016 that high literacy must continue to be our aim and to see more research analyzing and identifying how teachers might promote literacy practices that promote deep thinking around important content The editors offer a conceptual framework for high literacy that explicates how each component i e reading writing dialogic engagement and epistemic cognition in literary reasoning relates to the others and from what scholarly literature these concepts have been derived Individual chapter authors provide in depth examinations of the existing research base on particular related topics focusing on the two important cross cutting aims of the volume 1 explicating the roles reading writing dialogic engagement and epistemic cognition hold in high literacy development and 2 providing examples of practices recommended to develop high literacy
