The Wisdom of the Mystic East John Walbridge, 2001-08-03 Twelfth century Islamic philosopher Suhraward attempted to revive Platonism in an era of Avicennan Aristotelianism Modern scholars have portrayed Suhraward as wishing to revive

an oriental wisdom and associate him with ancient Persia In this book John Walbridge uses Suhraward as a vehicle to explore the tendency of Platonic philosophers to romanticize oriental wisdom The work presents Suhraward and defines the problem of Platonic orientalism both in general and in relation to Suhraward Egypt and the Hermetic tradition ancient Persia and the notion of metaphysical light and India Buddhism and the transmigration of souls are all covered in terms of their influence or lack of influence in Suhraward s thought The book also explores the role of Platonic and Suhrawardian orientalism in various cultures over the years Bibliography of English-language Works on the Bábí and Bahá'í Faiths William P. Occultism in a Global Perspective Henrik Bogdan,Gordan Djurdjevic,2014-09-11 The study of the ideas and practices associated with occultism is a rapidly growing branch of contemporary scholarship However most research has focused on English and French speaking areas and has not addressed the wider spread and significance of occultism Occultism in a Global Perspective presents a broad international overview Essays range across the German magical order of the Fraternitas Saturni esoteric Satanism in Denmark sexual magic in Colombia and the reception of occultism in modern Turkey India and the former Yugoslavia As any other form of cultural practice the occult is not isolated from its social discursive religious and political environment By studying occultism in its global context the book offers insights into the reciprocal relationships that colour and shape regional occultism **Teachers as State-Builders** Hilary Falb Kalisman,2022-09-20 The little known

history of public school teachers across the Arab world and how they wielded an unlikely influence over the modern Middle East Today it is hard to imagine a time and place when public school teachers were considered among the elite strata of society But in the lands controlled by the Ottomans and then by the British in the early and mid twentieth century teachers were key players in government and leading formulators of ideologies Drawing on archival research and oral histories Teachers as State Builders brings to light educators outsized role in shaping the politics of the modern Middle East Hilary Falb Kalisman tells the story of the few young Arab men and fewer young Arab women who were lucky enough to teach public school in the territories that became Iraq Jordan and Palestine Israel Crossing Ottoman provincial and later Mandate and national borders for work and study these educators were advantageously positioned to assume mid and even high level administrative positions in multiple government bureaucracies All told over one third of the prime ministers who served in Iraq from the 1950s through the 1960s and in Jordan from the 1940s through the early 1970s were former public school teachers a trend that changed only when independence occupation and mass education degraded the status of teaching The first history of education across Britain s Middle Eastern Mandates this transnational study reframes our understanding of the profession of teaching the connections between public education and nationalism and the fluid politics of the interwar Middle East **Directory of Iranian Officials** ,1991 *Persian-Farsi Ruhi Book 7* Ruhi Foundation, Colombia,2004-01-01

Iran and Turkey Marianna Charountaki, 2018-03-30 The foreign policies of Turkey and Iran seem increasingly to dictate the course of events in the Middle East More recently and especially following the Syrian crisis the spotlight has turned to these states dynamic re entry onto the political stage revealing them as key players with an international role in efforts towards the balance of power across the region This book traces the major determinants of Turkish and Iranian foreign policies and their influence on events in the Middle East Based on an examination of these states politics and policies since 1979 and using material gathered from interviews with leading political figures from Turkey Iran and the Kurdistan Region of Iraq Marianna Charountaki offers fresh insights into how we understand the contemporary global order Of particular importance this book shows is the effect of both external and internal factors on foreign policy and how the interaction between state and non state actors informs political decisions In placing these issues in a theoretical framework Marianna Charountaki pioneers a new conceptual map within International Relations An interdisciplinary study that provides a fresh new perspective this book will be of particular interest to scholars of International Relations Politics Foreign Policy Kurdish and Middle East Studies
